

BCBC Councillor's Annual Report

Councillor P W Jenkins

Ward: Maesteg East

Party: Llynfi Independents

This report identifies my key activities during the year ending 30th April 2023. It is provided for the information of all constituents and for no other purpose. The views expressed in this report are those of the Councillor and do not necessarily reflect the views of Bridgend County Borough Council.

Role & Responsibilities

I was elected to Bridgend County Borough Council to represent Maesteg East on 5th May 2022. I have been appointed to a number of Committees withing BCBC.

I support my constituents in a variety of issues and concerns, this is in co-operation with the other elected ward member.

BCBC has provided a number of training and information courses which enable me to fulfil and enhance my role as your Councillor.

Constituency Activity

I involve myself with many varied clubs and organisations which include OAP halls and youth activity.

I supported clubs/organisation in the Community Asset Transfer (CAT) schemes.

I am a member of Maesteg Town Council and have been for over 30 years now. During this time the Town Council has expanded its role to enhance the wellbeing and feel-good factor of our valley.

With my and my colleagues help we have:

- A summer festival
- Town centre floral displays
- A fun run (Keeper of the Colliery)
- A Christmas parade and light display which is being expanded on year on year

It is unfortunate and disappointing to note that due to the financial constraints placed upon our local authority, alongside many others I am unable to action/fulfil all the requests or address to their satisfaction my constituents concerns and fears.

I can assure you all though that I and others will do all in our power to protect and enhance the services we all have become accustomed to. I will push for investment and improvement within our valley to ensure the survival of this valued community.
