

BCBC Councillor's Annual Report

Councillor David Harrison

Ward: Cefn Glas

**Party: Bridgend County
Independents**

This report identifies my key activities during the year ending **2022/2023**. It is provided for the information of all constituents and for no other purpose. The views expressed in this report are those of the Councillor and do not necessarily reflect the views of Bridgend County Borough Council.

Role & Responsibilities

I was elected to Bridgend County Borough Council to represent Cefn Glas on 5th May 2022. I have undertaken a variety of roles within the Council this year including being appointed to several committees.

I have supported the residents of my ward on a variety of issues and have formally raised constituent queries with the Council and other organisations. This is in addition to informally addressing a number of other issues which you have asked me to help you resolve.

To enable me to fulfil my role as your representative, I have attended a number of Member Development Activities which have assisted me to ensure that my knowledge of national and local issues affecting the Council and my ward is maintained.

Constituency Activity

As part of my role I visit my constituency on a regular basis and make notes and report any problems that I come across or members inform me of. I make an effort to engage with members on any problems that they may have or know of anything I should be made aware of; I try and make myself available to contact by mail or telephone

Other Activities/Issues

As a member of Laleston Community Council I am involved with local projects such as Christmas lights, hanging baskets, some of the children's play parks etc. I attend different activities in the community centre when time allows. I meet with PCSO's where I hear of any unsocial behaviour and how it's being dealt with and any other public concerns that have been reported.
