1.1 The purpose of this report is to provide the Subject Overview and Scrutiny Committee 2 with the 2022-23 Annual Corporate Safeguarding Report for consideration and comments.

## 2. Background

2.1 Safeguarding means protecting people's health, wellbeing and human rights, and enabling them to live free from harm, abuse, and neglect. It is a corporate responsibility for BCBC to safeguard vulnerable individuals from harm, abuse, and neglect.

2.2 Under the Social Services and Well-being (Wales) Act 2014, Section 7 refers to safeguarding and created new legislation against which the Council is required to function regarding safeguarding. It provides the legal framework for improving the well-being of people who need care and support, carers who need support, and for transforming social services in Wales. The Annual Corporate Safeguarding Report attached as **Appendix 1** provides details as to how the Council has performed against those statutory duties.

#### 4. Equality implications (including Socio-economic Duty and Welsh Language)

4.1 The protected characteristics identified within the Equality Act, Socioeconomic Duty and the impact on the use of the Welsh Language have been considered in the preparation of this report. As a public body in Wales the Council must consider the impact of strategic decisions, such as the development or the review of policies, strategies, services and functions. It is considered that there will be no significant or unacceptable equality impacts because of this report.

# 5. Well-being of Future Generations implications and connection to Corporate Well-being Objectives

5.1 The Act provides the basis for driving a different kind of public service in Wales, with 5 ways of working to guide how public services should work to deliver for people. The following is a summary to show how the 5 ways of working to achieve the well-being goals have been used to formulate the recommendations within this report.

Involvement	Colleagues from across the Directorate from both adults and children's services and safeguarding teams have fed into the Annual Corporate Safeguarding Report.
Long term	This Annual Corporate Safeguarding Report provides an overview of the safeguarding activity from the previous year. This allows the Council to project what future safeguarding activity and requirements may be required of the Social Services and Wellbeing (SSWB) Directorate and thus provide additional safety to our most vulnerable individuals in Bridgend.
Prevention	The report highlights developments by the Directorate in line with the Social Services and Well- being (Wales) Act 2014. These developments help the Council improve its safeguarding processes and responses to safeguarding matters and thus

	preventing the likelihood of additional harm coming to vulnerable individuals.
Integration	The Corporate Safeguarding Policy has been reviewed and updated to provide all staff with up-to- date information relating to their safeguarding requirements. In addition to this safeguarding is a mandatory corporate training module for all to complete and to integrate the learning and understanding across the Council.
Collaboration	Work continues in collaboration with the Cwm Taf Morgannwg Regional Partnership Board (RPB) and the Cwm Taf Morgannwg Regional Safeguarding Board (CTMSB), as well as multi-agency working with South Wales Police, social landlords, health colleagues, and the third sector.
