## Additional disclosure notes\*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

1. Section 42 (1) of the Harbours Act 1964 sets out that statutory harbour undertakings, such as local authorities that have functions of maintaining, improving or managing a harbour (harbour authorities) are required to prepare an annual statement of accounts relating to harbour activities. Section 42 (3) of the Act states that this requirement is not met by the preparation of accounts that covers matters in addition to harbour activities. The Council's external auditors have advised that the inclusion of the harbour's activities within the Council's Statement of Accounts will not suffice and that a standalone annual statement of accounts for the harbour authority is required. This return is to comply with that requirement, in line with external audit guidance.

2. Porthcawl Harbour is not run as a separate venture within the Council's accounts, it is within the Communities Directorate budget and does not have its own separate bank account, consequently there are no separate cash balances or reserves held for this facility. The Harbour is currently run through a small subsidy provided by the Council, to offset the difference between expenditure on staff, maintenance and other running costs, and income generated through berthing fees and contributions to utility costs.

3.  
In terms of the return, the following provides additional detail in respect of the Statement of Income and Expenditure:  
Row 2 – This is the amount of income that is provided by the Council towards any shortfall between income and running costs – this is a subsidy by the Council. It also includes accounting adjustments in respect of depreciation of the facility plus a share of corporate overheads.  
Row 3 – This is the total income generated from berthing fees and other miscellaneous sales and contributions.  
Row 5 – This is the total amount charged to the accounts in respect of depreciation of the facility, and is offset in full in Row 2.  
Row 6 – This is the total of running costs such as staffing, utilities and maintenance costs.

\* Include here any additional disclosures the Committee considers necessary to aid the reader's understanding of the accounting statement and/or the annual governance statement.
