

BCBC Councillor's Annual Report

Councillor P W Jenkins

Ward: Maesteg East

Party: Llynfi Independents

This report identifies my key activities during the year ending **30th April 2024**. It is provided for the information of all constituents and for no other purpose. The views expressed in this report are those of the Councillor and do not necessarily reflect the views of Bridgend County Borough Council.

Role & Responsibilities

Having been elected only since 2022 I have been appointed to a number of council committees and undertaken various training.

Further information of my roles, responsibilities and activities can be found by using this link:

Constituency Activity

To date I have made a number of referrals and "Report It" issues.

I speak where possible in person with my constituents, advice when necessary and seek their participation in reporting directly issues themselves as well, this for audit purposes.

Sadly, due to the number of highway issues a large number of complaints raised here have been unable to get addressed due to the financial constraints placed upon this authority.

For these failures that I am unable to resolve I offer my apologies.

Initiatives and Special Activities

I am also the longest continuing serving member of the town council and take pleasure in helping to maintain and enhance all the facilities and amenities we currently enjoy within the powers that we have.

I take great pleasure from watching all the community come together for the Xmas parade, and hopefully in future community events.
