In March 2023 the Council published its new 5-year Corporate Plan 2023-28 and seven new wellbeing objectives. A 1 year Corporate Plan Delivery Plan for 2023-24 was agreed in July 2023 which defined 44 aims, with 101 commitments to deliver these objectives and 99 performance indicators (and sub indicators) to measure progress.

This document is intended to provide an overview of the Council’s performance against the wellbeing objectives as set out in the Corporate Plan Delivery Plan at quarter 4 of 2023-24, which is the final year-end position.

The wellbeing objectives are:

- 1 - A County Borough where we protect our most vulnerable
- 2 - A County Borough with fair work, skilled, high-quality jobs and thriving towns
- 3 - A County Borough with thriving valleys communities
- 4 - A County Borough where we help people meet their potential
- 5 - A County Borough that is responding to the climate and nature emergency
- 6 - A County Borough where people feel valued, heard, and part of their community
- 7 - A County Borough where we support people to live healthy and happy lives
