Following the completion of the Officers Report a further letter of representation from the Treasurer of the Porthcawl Veterans Hub (who currently meet every Saturday morning within the ground floor of the Griffin Park Bowls Pavilion) has been received, and states:

‘The application to turn the first floor into council offices will hopefully not affect us, apart from the fact that our equipment and possessions are currently stored in the first floor room. It was stored there when we were forced to leave the temporary building in Griffin Park, as the floor is subsiding and a road is planned to go through there.

There is also a snooker table weighing two tons in the first floor room, donated by Porthcawl YMCA.

Another problem is parking in the vicinity, which will make access difficult for staff and residents.

I would therefore oppose the above application unless Porthcawl Veterans Hub is offered suitable storage facilities for the equipment currently stored in the first floor room of the bowls pavilion.’
