Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We aim to continue the high standards we have set at our current site at La Cocina Tapas in promoting & adhering to the licensing objectives. On-going staff training will be prevalent to ensure that we as a business operating from the premises are actively promoting & implementing the licensing objectives. We will also operate a 'Think 25' policy with the sale of alcohol, accepting only photographic ID in the form of a passport or driving license.

b) The prevention of crime and disorder

We all ensure that all staff are trained in house to recognise any behaviour which is unlawful. We will operate a zero tolerance policy on crime and disorder at the premises. We aim to create an environment in which customers feel comfortable and can enjoy themselves. We will enforce our own set of 'house rules' in regards to the expected behaviour whilst on the premises.
The premises will operate a proof of age scheme, accepting only photographic ID

The premises shall maintain a digital CCTV recording system capable of recording 31 days of 24 hour recording with a monitor out of view and reach of the customers. Images shall be retained for a period of 31 days. The equipment will be suitably secured with limited access. The CCTV system shall have coverage of all areas to which the public have access within the premises and shall include entrances and exits. The CCTV system shall be maintained and operate at all times that the premises are open to the public. Images shall be made available upon request and within 7 days to the Police or other enforcement officers either to USB, disc or via the NICE system used by South Wales Police, upon lawful demand by a Police officer or Local Authority officer at no cost.

On a Friday, Saturday, Sunday preceding a Bank Holiday, Christmas Eve, Boxing Day, New Year's Eve and New Year's Day a minimum of 2 SIA registered door staff to be employed for up to 150 patrons, then a further one SIA registered door staff for every further 75 patrons. Door Staff will commence duty at the start of events until 15 minutes after closure to ensure the dispersal of patrons.

An incident log whether electronic or written shall be maintained to record any activity of a violent, criminal or anti-social nature. The record will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The book must be kept available for inspection by the Police and authorised officers of the Licensing Authority.

c) Public safety

We will carry out a thorough risk assessment of the premise and business prior to opening. Provisions will be put in place to ensure a safe working environment for the staff as well as the general public.

d) The prevention of public nuisance

Noise levels will be kept to a reasonable level. Customers will be made aware of what is acceptable behaviour within the premises. We will erect signs at the entrance/exits to remind customer of residents nearby and to be respectful of that.

e) The protection of children from harm

While children will be welcome on the premises we will ensure that customers bringing any children into the premises after 8pm are aware that other customers will be drinking alcohol and it is a more adult environment. We do not envisage any problems with children being on the premises.
