

FINANCIAL PROCEDURE RULES**Introduction****What are Financial Procedure Rules?**

Financial Procedure Rules provide the framework for managing the Council's financial affairs. They are supported by more detailed specific guidance and procedure notes in a range of areas. The procedures identify the financial responsibilities of the Full Council, the Cabinet and Officers.

Why are they important?

- (a) To conduct its business effectively, the Council needs to ensure that sound financial management arrangements are in place and that they are strictly adhered to in practice. Part of this process is the establishment of Financial Procedure Rules which set out the financial responsibilities of the Council. These procedure rules have been devised as a control to help the Council manage its financial matters properly in compliance with all necessary requirements.
- (b) Good, sound financial management is a key element of the Council's Corporate Governance framework which helps to ensure that the Council is doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.
- (c) Good financial management secures value for money, controls spending, ensures due probity of transactions and allows decisions to be informed by accurate accounting information.
- (d) Good financial management requires secure and reliable records and systems to process transactions and information and substantiate the effective use of public money.
- (e) Financial Procedure Rules should not be seen in isolation, but rather as part of the overall regulatory framework of the Council as set out in this Constitution.

Who do Financial Procedure Rules apply to?

- (f) Financial Procedure Rules apply to every Member and Officer of the Council and anyone acting on its behalf. Members and Officers have a general responsibility for taking reasonable action to provide for the security and use of the resources and assets under their control, and for ensuring that the use of such resources and assets is legal, is consistent with Council policies and priorities, is properly authorised, provides value for money and achieves best value.
- (g) Separate financial procedure rules have been incorporated into the Council's Financial Scheme for Schools and relate to those matters where decisions have been delegated to school governing bodies.

- (h) These Financial Procedure Rules shall apply in relation to any partnership for which the Council is the accountable body, unless the Council expressly agrees otherwise.
- (i) Failure to observe Financial Procedure Rules may result in action under the Council's disciplinary procedures.

Who is responsible for ensuring that they are applied?

- (j) Chief Officers and Heads of Service are ultimately responsible to the Council for ensuring that Financial Procedure Rules are applied and observed by their staff and contractors providing services on the Council's behalf and for reporting to the Chief Finance Officer any known or suspected breaches of the procedures.
- (k) The Chief Finance Officer is responsible for maintaining a continuous review of the Financial Procedure Rules and submitting any additions or changes necessary to Council for approval. The Chief Finance Officer is also responsible for reporting, where appropriate, breaches of the Financial Procedures to Council and/or to Cabinet Members.
- (l) The Chief Finance Officer is responsible for issuing advice and guidance to underpin the Financial Procedure Rules which Members, Chief Officers and others acting on behalf of the Council are required to follow.
- (m) Where any Chief Officer considers that complying with Financial Procedure Rules in a particular situation might conflict with the achievement of value for money or the principles of Best Value or the best interests of the Council, they shall raise the issue with the Chief Finance Officer who will, if they consider necessary and appropriate, seek formal approval from the Council for a specific waiver of the procedures, or an amendment to the procedures themselves.

3. Budgeting and budgetary control

3.1 Council's Budget

- 3.1.1 The Budget shall be approved by the Council in accordance with the Budget and Policy Framework Procedure Rules (Section 16);
- 3.1.2 In referring the Cabinet's Budget Proposals to Council the proper officer will forward to the Council a report of the Chief Finance Officer incorporating the recommendations of the Cabinet and detailing for approval of the Council:
 - (a) a probable out-turn for the current year;

- (b) a revenue budget for the forthcoming year detailing the Budget Heads over which that budget is allocated to specific services and service programme areas;
- (c) a forward indication of the medium term financial strategy which will comprise the revenue budget for the first year and indicative budgets for the subsequent three years and a capital budget for the forthcoming year incorporating a capital programme of at least three years, but no more than ten years;
- (d) an assessment of any major financial risks which may impact on the budget;
- (e) an analysis of reserves and balances and movements over the forthcoming financial year;
- (f) the proposed increase in fees and charges for the forthcoming year;
- (g) a recommendation of the level of Council Tax to be levied for the forthcoming year.

3.1.3 The detailed form of the Budget will be determined by the Chief Finance Officer within the general direction of the Council and Cabinet after consultation with Chief Officers.

3.2 Amendments to the agreed budget (virements and technical adjustments)

- 3.2.1. Each Chief Officer shall have the authority to incur expenditure on any activity under their control up to the amounts specified in respect of that activity in the revenue or capital budgets approved by the Council for the financial year, unless directed otherwise by the Chief Finance Officer.
- 3.2.2 Each Chief Officer, subject to the agreement of the Chief Finance Officer, may approve virements between specific revenue Budget Heads, as set out in the Medium Term Financial Strategy, which do not amend any individual Budget Head by more than £100,000 from that approved by the Council. The relevant Chief Officer and Chief Finance Officer must jointly report to Cabinet on any virements which amend individual Budget Heads by more than £100,000.
- 3.2.3 Cabinet may, following a report of the appropriate Chief Officer in consultation with the Chief Finance Officer, approve virements between individual revenue Budget Heads which do not amend any individual budget head by more than £500,000 from that approved by the Council.
- 3.2.4 All approved virements over £100,000 must be reported to the Council for information as soon as reasonably practicable after their approval.
- 3.2.5 Any variations to the capital programme, other than those permitted under paragraph 3.4.6, shall require the approval of the Council following a report of the Chief Finance Officer after taking into consideration the recommendations of the Cabinet.
- 3.2.6 All proposals for revenue and capital budget virements that exceed the above limits will need to be approved by the Council on receipt of a report of the appropriate Chief Officer in consultation with the Chief Finance Officer following consideration by the Cabinet. Virement proposals must also be approved by the Council if they:

- a) imply a change in a plan, policy or strategy which would be contrary to the existing policy framework;
- b) have a major operational impact on existing service provision;
- c) are contrary to or not wholly in accordance with the Budget;
- d) imply any additional revenue commitment in future years.

3.2.7 There are also technical adjustments to budgets as a result of the Council adhering to the Chartered Institute of Public Finance and Accountancy's Code of Practice on Local Authority Accounting. These could include, but are not limited to, the reallocation of centrally held pay and price budgets to other areas within the Council or the allocation of capital charges across the Council, and necessary year end accounting adjustments in line with accepted accounting practices. These are not subject to the authorisation limits of budget virements and the Chief Finance Officer or nominated representative can authorise these.

3.3 Budgetary control

- 3.3.1 The Chief Finance Officer shall provide each Chief Officer with regular information relating to income and expenditure under each approved budget head and any other relevant information available. Each Chief Officer shall be responsible for ensuring control of expenditure and income against the approved budget (attention is drawn to Rule 6.1).
- 3.3.2 A Chief Officer in consultation with the Cabinet Member responsible for the function in respect of which the service is provided will be expected to manage their services within the approved cash limited budget and to provide the Chief Finance Officer with such information as is required to facilitate and monitor budgetary control. A Chief Officer or Cabinet Member may not incur expenditure or forego income if this will result in the approved budget being exceeded. Where a Directorate does overspend, the provisions of para 3.3.5 will take effect.
- 3.3.3 A Chief Officer may delegate responsibility for management of budgets within their control to other senior officers within their Directorate. Such delegation shall be within defined parameters and shall be recorded in writing as determined by the Chief Finance Officer.
- 3.3.4 At year end, consideration will be given to the overall financial position of the Council including the final outturn, net council tax income, the Council's reserve levels and any new pressures or risks that need to be provided for. At that time, and dependent on that financial position, in line with the Council's Reserves and Balances Protocol, a Chief Officer will be invited to submit earmarked reserve requests to meet any specific unfunded one-off expenditure that they expect to arise in the following financial year and these will be considered by the Chief Finance Officer in the context of the Directorate outturn position as well as that of the Council as a whole. Chief Officers will be notified of successful earmarked reserves.
- 3.3.5 Any directorate over-spending against budget may be carried forward at the discretion of the Chief Finance Officer, either against the specific directorate or Council wide budgets. In no circumstances should this provision be seen as giving a Chief Officer power to overspend against approved budgets. Any such overspend will be treated as a breach of the Financial Procedure Rules and the respective Chief Officer held accountable. No Chief Officer or Cabinet Member may budget for a deficit. Where a

net Council-wide overspend occurs this will need to be met from existing usable reserves, including draw down from the Council Fund.

- 3.3.6 Urgent expenditure not included in any budget approval may only be incurred with the approval of the Chief Finance Officer.
- 3.3.7 The cash limited budget for a Chief Officer only relates to the “controllable” elements of their budget and excludes, amongst other things:
- Central capital charges
 - Central support service charges
 - Centrally controlled office accommodation budgets
 - Joint Committee precepts and levies

3.4 Capital programme

- 3.4.1 As part of the budget process the Chief Finance Officer or appropriate Cabinet Member will annually present to the Council a capital programme which shall include:
- (a) those capital expenditure items proposed to commence during the next three years as a minimum;
 - (b) an estimate of the capital costs of those schemes together with the associated proposed funding.
- 3.4.2 Schemes for which external funding has been approved (specific grants and section 106 funding) will be added to the capital programme once the funding has been accepted, and included in the next capital programme report to Council.
- 3.4.3 A Chief Officer, in conjunction with the Chief Finance Officer, before submitting a scheme for inclusion in the capital programme, shall satisfy himself that the scheme is in line with the Council’s Capital Strategy, and that:
- (a) land purchases, design planning consents and relevant studies are sufficiently advanced to ensure that the proposed year of start of a scheme is feasible;
 - (b) the level of expenditure envisaged is realistic, following a full feasibility assessment, and taking into account the Chief Finance Officer’s forecast of capital resources available and the ability of each directorate to meet the consequential costs resulting from prudential borrowing, if applicable, and any on-going maintenance costs;
 - (c) each scheme in the programme has been fully appraised to ensure it is the most economic method of satisfying an identified need.
- 3.4.4 The Capital Programme upon approval by the Council shall:
- (a) confer authorisation upon the Chief Officer concerned to take steps to enable design work to be completed and land to be acquired in due time;
 - (b) form the basis of the annual capital estimates.

- 3.4.5 The inclusion of any item in the approved capital estimates shall not confer authority to incur any expenditure (except on design work and land acquisition) until:
- (a) all necessary statutory approvals have been obtained;
 - (b) any external funding contribution to the project has been secured; and
 - (c) a tender or quotation has been received and accepted in accordance with the Contract Procedure Rules, which does not exceed that part of the total cost included in the capital estimate in respect of the main contract work for the project by more than 10% or £100,000, whichever is lower.
- 3.4.6 If the tender or quotation exceeds the criteria in 3.4.5(c) above, its acceptance will be subject to the approval of the Chief Finance Officer, in consultation with the Cabinet Member(s) responsible for the function in respect of which the decision is required, to a diversion of money from other approved schemes within the appropriate Chief Officer's control sufficient to meet any additional costs.
- 3.4.7 Chief Officers shall monitor both the progress of schemes and the totality of capital expenditure with the aim of avoiding under or overspending against the approved capital estimates. Should such a situation appear likely, a Chief Officer in conjunction with the Chief Finance Officer shall recommend to the Council the remedial action necessary to mitigate the overspend, which could include accelerating or delaying existing schemes within the approved capital programme, the allocation of additional, uncommitted, capital funding, or a revenue contribution to capital, where funds allow.
- 3.4.8 Remedial action which necessitates the delaying or deletion of a scheme within the capital programme shall be subject to the prior approval of the Council based on a joint report of the Chief Finance Officer and Chief Officer.
- 3.4.9 The Chief Finance Officer shall give Chief Officers information relating to actual payments made for each scheme in such detail and at such time as arranged between them in order that they may carry out their responsibilities under paragraph 3.4.7.
- 3.4.10 The capital programme includes an annual allocation for capital minor works. Allocation of this funding to individual schemes is the responsibility of the Corporate Landlord section and approval on individual schemes will not be sought from Council insofar as the overall funding allocated to schemes does not exceed the funding agreed by Council in the capital programme for that financial year.
- 3.4.11 Any additional capital expenditure from within the capital programme for new or existing schemes which, for reasons of urgency, cannot await the next meeting of Council, may only be incurred with the approval of the Chief Executive Officer in consultation with the Chief Finance Officer, subject to a maximum value of £100,000, under the Scheme of Delegation of Functions, Scheme B1 paragraph 2.2.
- 3.4.12 Urgent expenditure over £100,000 or not included in any budget approval or delegated power, which needs to be agreed prior to the next meeting of Council, may only be incurred with the approval of the Chief Finance Officer. Any such decision requires approval by either the Chief Executive Officer or Solicitor to the Council under the Scheme of Delegation of Functions, Scheme B1 paragraph 2.1.
- 3.4.13 The Chief Finance Officer shall report quarterly to Cabinet and Council with an update on the Capital Programme.

3.5 Capital Strategy

- 3.5.1 The Chief Finance Officer will be responsible for preparing a Capital Strategy for submission to Council for approval prior to the start of each financial year. The Strategy must demonstrate that capital expenditure and investment decisions are in line with service objectives and properly take account of stewardship, value for money, prudence, sustainability and affordability.
- 3.5.2 The Capital Strategy will need to comply with the requirements of the Chartered Institute of Public Finance and Accountancy (CIPFA)'s Prudential Code for Capital Finance in Local Authorities. It will incorporate the Prudential Indicators that will need to be approved by Council.
- 3.5.3 The Chief Finance Officer shall report quarterly to Cabinet and Council with an update on the Capital Strategy and the Prudential Indicators.

4. Internal audit

- 4.1 The Chief Finance Officer shall have a duty to maintain an effective internal audit of the Council's operations in order to review, evaluate and test the adequacy of the Council's systems of internal control as contributions to the proper, economic, efficient and effective use of resources.
- 4.2 The Chief Finance Officer shall have the responsibility to review, appraise and report to Council, the Governance and Audit Committee, Cabinet, Cabinet Member, or Chief Officer as appropriate upon:
 - 4.2.1 The soundness, adequacy and application of financial and other related operations of the Council.
 - 4.2.2 The extent of compliance with, and financial effect of, established policies, plans and procedures.
 - 4.2.3 The extent to which the Council's assets and interests are accounted for and safeguarded from losses of all kinds arising from:
 - (a) fraud and other offences;
 - (b) waste, extravagance, poor value for money or other cause.
 - 4.2.4 The suitability and reliability of financial and other related management data developed within the Council.
- 4.3 The Chief Finance Officer or an authorised representative of the Chief Finance Officer shall have the authority to require any officer to:
 - 4.3.1 Provide access to any Council premises or land under their control. Where sites are in the possession of a contractor or subject to any tenancy or licence to occupy, such entry will be governed by the conditions of the contract or other legal agreement.
 - 4.3.2 Produce any records, documents and correspondence in their possession.
 - 4.3.3 Provide explanations of matters arising from an audit.

4.3.4 Produce and account for any cash, stores or other Council property under their control.

4.4 The Chief Finance Officer shall have the authority to request the immediate suspension from duty of any officers who:

- (a) they have reasonable grounds to suspect of misappropriation of Council funds or other property;
- (b) they believe present a threat of further misappropriation or hindering of any investigation.

4.5 Notwithstanding the duty of the Chief Finance Officer for the control and direction of Internal Audit, it shall be the duty of the Chief Internal Auditor to report direct to the Chief Executive Officer and to the Cabinet Member for Resources on any matter in which the Chief Finance Officer appears to be personally involved.

5. Contracts of building, construction or engineering work

5.1 Contracts for the execution of capital works shall only be entered into for those schemes which are included in the approved Capital Programme.

5.2 Each Chief Officer will maintain contract registers showing for each contract under their control which has a value greater than £50,000:

- (a) the contract sum;
- (b) the value of any extras or variations to the contract;
- (c) the amounts and dates of any instalments made;
- (d) the amount of any retentions held or bonds taken under any contract;
- (e) the balance outstanding to the Contractor.

5.3 Payments to contractors on account of contracts shall be made only on a certificate issued by the responsible officer.

5.4 When authorising any extra or variation to a contract the appropriate Chief Officer shall:

- (a) estimate the cost of the variation;
- (b) issue written instructions to the Contractor to carry out the work, except in cases of urgency where a Chief Officer may issue verbal instructions but shall confirm them in writing as soon as possible, but in any case within 7 days; and
- (c) ensure that such variation is in accordance with the Council's Contract Procedure Rules.

5.5 The Chief Finance Officer may, at their discretion, decide to audit the final account of a contract, before certifying the final payment.

5.6 Claims from contractors in respect of matters not clearly within the terms of any existing contract shall be referred to the Solicitor to the Council for consideration of the Council's legal

liability and, where necessary, to the Chief Finance Officer for financial consideration before a settlement is reached.

- 5.7 Each Chief Officer shall, as soon as practical, report to Cabinet the total of extras or variations to any contract which exceeds 10% of the original contract sum (subject to a maximum of £500,000), or £100,000 whichever is the greater.
- 5.8 If the final account of any contract has not been agreed within eighteen months of the completion of works, then the Chief Officer controlling that contract shall report to the Cabinet on the outstanding items. Any report under this regulation shall include a comparison of the final or likely cost with the original contract sum together with reasons for any differences.

6. Orders for work, goods and services

- 6.1 Each Chief Officer has a duty to issue official orders for all works and services to be carried out, and all goods supplied, within their Directorate with the exception of:
- (a) public utilities;
 - (b) periodical payments;
 - (c) petty cash purchases;
 - (d) purchases made using Purchasing Cards;
 - (e) works, goods and services subject to formal written contracts, or excepted from this requirement by the Chief Finance Officer.
 - (f) Framework contracts.

Before issuing official orders, Officers authorising them must be satisfied that there is provision in the estimates and that the Contract Procedure Rules have been complied with.

- 6.2 Each official order shall be in a form prescribed and approved by the Chief Finance Officer and shall include:
- (a) a description of the works, goods and services ordered;
 - (b) the name and address of the supplier;
 - (c) an estimate of the cost;
 - (d) the financial code to which the cost is to be charged;
 - (e) name of the authorising officer.
- 6.3 Verbal orders may only be placed in exceptional circumstances the details of which must be confirmed by e-mail or other appropriate means on the same day and confirmed by written official order within 3 working days.
- 6.4 Electronic orders will be treated in the same way as other official orders. Changes to on-line authorising officers shall be notified to the Chief Finance Officer immediately.

7. Leasing

- 7.1 The Chief Finance Officer shall be responsible for making leasing arrangements for the use of buildings, plant, vehicles and equipment. No officer other than the Chief Finance Officer may enter into any type of leasing arrangements.
- 7.2 Due to complex capital accounting requirements regarding expenditure in relation to leases, all leases, hire, rental, hire purchase agreements, deferred purchase agreements and other arrangements where the use of an asset is being acquired without the ownership of it must be referred to the Chief Finance Officer in advance of entering any agreement.
- 7.3 Provision within revenue estimates to cover the annual costs of leasing should be made only following consultation with the Chief Finance Officer.

8. Grant Funding and Third Party Funding

- 8.1 It is essential that proper management of external funding or grants received, or funding awarded by the Council, is undertaken in order to safeguard the financial position of the Council and also to maximise the benefits to service delivery from the receipt of these additional funds.
- 8.2 The Council has a Grants Financial Management Policy which all Chief Officers and their staff must adhere to in order to ensure the proper management of grant funding and other internal and external funds. Failure to comply could result in funding being withheld by the funding body or recovered at a later date. Any failure to comply with the Grants Financial Management Policy, which results in funding being reduced to the Council, may be reported to the Governance and Audit Committee, and any shortfall in the funding borne by the responsible directorate.

Section B - Expenditure and Income

9. Payment of accounts

- 9.1 Excluding payments in the form of petty cash from imprest accounts, the preferred method of payment of money due from the Council shall be by automated transfers from the Council's bank accounts overseen by the Chief Finance Officer.
- 9.2 The Chief Finance Officer shall be the authorised signatory of any joint bank account opened in the name of the Council and any other party and will be responsible for the payment of any cheques from that joint bank account.
- 9.3 Each Chief Officer is responsible for examining, verifying and authorising invoices and any other payment vouchers or accounts arising from sources in their Directorate including the use of purchasing cards. Authorised officers can discharge this responsibility on behalf of the Chief Officer. Each Chief Officer will supply the names and specimen signatures for authorised officers together with authorisation limits to the Business Support Manager and will need to confirm the list on an annual basis. Any changes to authorisation limits should be notified to the Business Support Manager ~~promptly~~within a month.

Payments in advance

- 9.4 All payments for goods and services must be paid in arrears on presentation of an invoice or appropriate document to support the payment. The Chief Finance Officer, in consultation with

a Cabinet Member, can give approval for payment in advance of goods or services in exceptional circumstances and on request from a Chief Officer. Approval must be given in writing via email to the appropriate officer, with the relevant Cabinet Member copied in, for audit purposes. There are a small number of exceptions where some payments are permitted to be paid in advance without prior approval. These include:

- Travel, such as rail tickets which are paid via a purchasing card
- Subscriptions, which are usually paid at the start, or in advance of, the subscription period
- Licences – such as software licences
- Necessary expenditure incurred in the normal course of business not exceeding £1,000. Note, the total value of the purchase needs to be considered rather than a monthly or recurring amount.
- Advance payments to Third Sector organisations will be considered in line with the Welsh Government Third Sector Scheme and guidance set out in the Code of Practice for Funding the Third Sector, where financial hardship can be evidenced.

9.5 Before authorising an account, the authorising officer shall be satisfied that:

- (a) the work, goods or services to which the account relates have been received, carried out, examined and approved;
- (b) the invoice satisfies VAT and Construction Industry Scheme (CIS) regulations and that prices, extensions, calculations, trade discounts, other allowances and credits are correct;
- (c) the relevant expenditure has been properly incurred and is within the relevant estimate provision;
- (d) the financial code to which the expenditure is to be charged is correct and sufficient budget is available;
- (e) the account or invoice indicates the official order number relating to the goods or services provided, or if there is no such order the reason for the omission unless it relates to services not subject to orders such as care contracts;
- (f) appropriate entries have been made in inventories, stores records or stock books as required;
- (g) the account has not been previously passed for payment and is a proper liability of the Council;
- (h) in the case of accounts for the supply of public utility services and other periodic payments, relevant expenditure, and where appropriate, units of energy consumed, have been entered in records approved by the Chief Finance Officer.

9.6 Accounts should be authorised via EDRM online, or other agreed means. Any accounts not authorised via EDRM should be manually authorised and passed to Business Support for processing, or in the case of feeder files passed to the Chief Finance Officer for processing. All payments should be processed within 30 days.

- 9.7 Where payments are electronically uploaded into the financial system via a feeder file, appropriate controls, including standardising of files and validity checks, are put in place to ensure their integrity. For any new feeder files, Internal Audit will be asked to review and give assurance on the process for authorisation before use.
- 9.8 For the Council to reclaim VAT on individual payments, the Council is required under VAT Regulations to obtain the supplier's VAT registration number and invoice to be addressed to Bridgend County Borough Council.
- 9.9 The Chief Finance Officer shall set down procedures for the retention of financial documentation. Such documentation must not be disposed of without the specific approval of the Chief Finance Officer. All invoices shall be retained for at least 6 years plus the current financial year. In the case of invoices relating to grant claims, these must be kept until after the grant claim has been audited even if this exceeds 6 years. It is the responsibility of the Chief Officer of the grant to ensure the correct retention period is maintained. The same retention periods apply to electronic copies of all original invoices.
- 9.10 Changes to on-line authorising officers shall be notified to the Business Support Manager immediately.
- 9.11 Each Chief Officer shall, no later than a date specified at the financial year end, notify the Chief Finance Officer of any outstanding expenditure relating to the previous financial year to be accrued in the Statement of Accounts.

10. Imprest accounts

- 10.1 Where appropriate, the Chief Finance Officer shall provide imprest accounts for such officers of the Council as may need them for the purpose of defraying petty cash and other expenses. Such accounts shall be maintained in accordance with the notes of guidance issued to imprest holders by the Chief Finance Officer.
- 10.2 Where petty cash is required, the Chief Finance Officer shall open an account with the Council's bankers for use by the imprest holder, who shall not deliberately cause the account to be overdrawn. Any prolonged overdrawn balance on an imprest holder's bank account shall be reported to the Chief Finance Officer. It will also prevent the use of any business ATM cash card as they cannot be used on an overdrawn account. Where an officer holds a cheque book or business ATM cash card in respect of any account they must ensure that it is securely stored and all cancelled cheques are crossed and retained with the counterfoils of the original cheque book. Receipts for withdrawals must be retained.
- 10.3 Any officer responsible for an imprest account shall be personally responsible for making good any deficiencies in that account.
- 10.4 No income received on behalf of the Council may be paid into an imprest account but must be dealt with in accordance with paragraph 15.3.
- 10.5 Except as otherwise agreed between the Chief Finance Officer and the Chief Officer concerned, payments out of the accounts shall be limited to petty disbursements and shall not include sums due to any tradesperson with whom the Council has an account for the supply of goods and services, or who can establish an account, nor any account for goods exceeding in value a sum to be agreed from time to time by the Chief Finance Officer, nor travelling expenses other than those of a casual nature e.g. bus fares.

- 10.6 An officer responsible for an imprest shall on a regular basis as specified by the Chief Finance Officer, or at any other time if so requested, provide a certified statement as to the state of the account.
