1. Purpose of Report

- 1.1 The purpose of this report is to ask Members to determine an application for the grant of a private hire vehicle licence which falls outside of the Licensing Committee’s age policy guidelines.

2. Background

- 2.1 It is the duty of the Local Authority to determine applications made under the Local Government (Miscellaneous Provisions) Act 1976 and Town Police Clauses Act 1847. These applications are referred to the Licensing Sub-Committee for determination where the application falls outside policy guidelines. This application is made under Section 46 of the Local Government (Miscellaneous Provisions) Act 1976.

3. Current situation / proposal

- 3.1 The Council has received an application from Mr Ian Johns to licence the following vehicle as a private hire vehicle:

- 3.3 The age policy guidelines adopted by the Licensing Committee on 17 November 2020 to take effect from February 2021 are as follows and are published on the Council's website:

“AGE POLICY GUIDELINES

Vehicles submitted for licensing for the first time must be less than 5 years old from the date of first registration;

The only exception to the above is that Minibus type vehicles fitted with permanent automated tail lifts submitted for licensing for the first time must be less than 10 years old from the date of first registration;

Vehicles aged up to 10 years old at the time of application will be tested twice a year;

Vehicles aged over 10 years old at the time of application will be tested three times per year;

Fleet Services will issue an MOT Certificate and Declaration of Fitness Form covering the taxi and private hire vehicle elements which fall outside the MOT process;

Vehicles will be tested in accordance with the Freight Transport Association – National Inspection Standards for Hackney Carriage and Private Hire Vehicles.

If you fail to submit an application to renew a vehicle licence in time, provided a completed application is received within five days of the expiry date the requirement for a vehicle to be presented to Committee is waived.

Applications for converted or modified vehicles outside the M1 Vehicle Type approval category must be accompanied by a full-service history and appropriate safety certification including a Voluntary Individual Vehicle Approval (IVA) Certificate issued by the Driving and Vehicle Standards Agency (DVSA).

If you are in any doubt about whether a vehicle falls within policy guidelines please email us for advice before you make a financial commitment.”

- 3.4 At the time of writing the report the requested vehicle is 5 years and 10 months old.

3.5 As the vehicle falls outside the age policy guidelines by being over 5 years old the Committee is requested to determine the application.

3.6 The vehicle will be presented to Committee for inspection on the day of the hearing.
