The Committee recommended that the abbreviations and acronyms in the Foster Care Recruitment Strategy in Appendix 3 are removed or that a glossary be added to assist the Committee and the public. 4. The Committee expressed concern regarding the impact on service delivery of the Directorate's reliance on grant funding and recommended that this be added to the topics for discussion at the Deep Dive Group and requested that a list of all grant funding the Directorate has received in the last financial year and a breakdown of which services are funded by which grants, and which are one-off grants and which are recurring be provided to the Group and Members of the Committee. 5. Having discussed their concerns regarding the reliance on grant funding in the above point, the Committee recommended that consideration be given to a zero-based budgeting exercise being undertaken exploring the possibility of bringing the services or parts of the services supported by grant funding into the Directorate's core budget, where possible. Additional Information Requested 6. The Committee discussed the improvements made in relation to workforce and recruitment which has resulted in a substantial reduction in agency staff and an increase in newly recruited or qualified social workers being employed.
