

**APPENDIX B****Communities, Environment and Housing Overview and Scrutiny Committee  
RECOMMENDATIONS MONITORING ACTION SHEET 2024-2025**

<b>Date of Meeting</b>	<b>Agenda Item</b>	<b>Action</b>	<b>Responsibility</b>	<b>Outcome</b>	<b>Response</b>
17 February 2025	Climate Change Response and Decarbonisation Activity Bridgend County Borough	The Committee expressed concern and <b>requested</b> an explanation setting out why the cross-party Member Committee to oversee the Climate Emergency Response Programme, agreed by Cabinet on 30 June 2020, had not been established and instead, that the Subject Overview Scrutiny Committee 3 had been given the remit for Climate Change and Nature and <b>recommended</b> that consideration be given to the cross-party Member Committee being established for the purposes intended. 		<p>some aspects of the plan would not work and therefore were taken no further and their concern that there did not appear to be any delivery or decisive action taken in relation to the Strategy which was already at its halfway stage. The Committee therefore <b>recommended</b> that an action plan be put in place to include detail on the following:</p> <ul style="list-style-type: none"><li>- Timescales;</li><li>- The objectives and achievement attained;</li><li>- How the public are being engaged and listened to, including the means by which the community are engaged; and</li><li>- The possibility of an annual engagement day.</li></ul>			
17 February 2025	Climate Change Response and Decarbonisation Activity Bridgend County Borough	The Committee discussed the impact of river flooding in the Valley areas causing erosion of the riverbank and encroaching onto gardens, fence lines and properties, acknowledged that it was a worrying situation for a those affected and <b>recommended</b> that the Council approach Welsh Government to request some safeguarding for those	Corporate Director for Communities/ Head of Operations – Community Services/ Climate Change Response Manager	<b>ACTIONED</b> – response and information circulated 3 November 2025	Follow link <a href="#">here</a> .

		individuals who may be in danger of flooding to their homes and property in the future.			
17 February 2025	Climate Change Response and Decarbonisation Activity Bridgend County Borough	Members were advised that the expectations arising from the Senedd Climate Committee's Halting and Reversing the Loss of Nature by 2023 report remain unclear as Welsh Government had yet to respond to the recommendations contained within. The Committee <b>recommended</b> that a letter be written to Welsh Government asking when a response is to be expected, in order to provide an understanding of the potential impact and challenges those recommendations could have on local authorities. 17 February 2025	Climate Change Response and Decarbonisation Activity Bridgend County Borough	The Committee <b>requested</b> further detail/information regarding the national position, across all 22 Welsh local authorities, setting out their approach to Climate Change and Decarbonisation. The Committee expressed that it was important that Bridgend's Strategy aligns with other local authorities recognising that carbon capture does not stop at boundary lines. In addition, the Committee discussed the existence of strategic development plans for	Corporate Director for Communities/ Head of Operations – Community Services/ Climate Change Response Manager	<b>ACTIONED</b> – response and information circulated 3 November 2025	Follow link <a href="#">here</a> .

		planning large scale properties and queried why there was no equivalent plan for Net Zero Carbon 2030 and <b>recommended</b> that consideration be given to including this in a future report to the Committee.			
17 February 2025	Climate Change Response and Decarbonisation Activity Bridgend County Borough	The Committee <b>requested</b> a copy of the Climate Change Risk Assessment which was undertaken in partnership with the Cwm Taf Morgannwg Public Service Board (PSB) and highlighted 11 climate risk priority areas across the PSB. The Committee also <b>requested</b> information regarding the actions being taken by the Health Board to respond to the action plan including any works to their buildings within the County Borough to make them more energy efficient. **APPENDIX B**

<b>Date of Meeting</b>	<b>Agenda Item</b>	<b>Action</b>	<b>Responsibility</b>	<b>Outcome</b>	<b>Response</b>
17 February 2025	Climate Change Response and Decarbonisation Activity Bridgend County Borough	Members discussed Electric Vehicle charging points, how long it took to complete repairs and whose responsibility it was to do so. Whilst the Committee acknowledged that it had been necessary for public bodies to lead the way in installing electric vehicle charging points, there was now an increased demand and need for higher voltage charging points. The Committee therefore <b>requested</b> whether consideration should be given to the Council leaving the market and facilitating the supply by private companies.	Corporate Director for Communities/ Head of Operations – Community Services/ Climate Change Response Manager	<b>ACTIONED</b> – response and information circulated 3 November 2025	Follow link <a href="#">here</a> .
17 February 2025	Climate Change Response and Decarbonisation Activity Bridgend County Borough	The Committee <b>requested</b> information regarding how much of the £1.4m funding for electric vehicles and infrastructure had been spent on infrastructure, why the Council was not deriving an income from it and regarding the public charging points commissioned by the Cardiff Capital Region on Council land: <ul style="list-style-type: none"><li>- Whether there was shared revenue?</li><li>- Were there possibilities for revenue generation?</li></ul>	Corporate Director for Communities/ Head of Operations – Community Services/ Climate Change Response Manager	<b>ACTIONED</b> – response and information circulated 3 November 2025	Follow link <a href="#">here</a> .
