Community Hubs Strategy			

Meeting of the Social Services, Health and Wellbeing Overview and Scrutiny Committee

6 November 2025

Responses to Recommendations / Additional Information Requested

Recommendations		
6	Members were advised that key stakeholders in each community would be consulted on the proposed Strategy and their views sought to shape how the Hubs look in their particular area and the Committee recommended that an all-Member workshop be arranged to allow Councillors to also feed into the Strategy and that local Members are specifically consulted regarding proposed Hubs within their respective Wards.	An all-Member workshop will be arranged as part of the next phase of engagement to ensure Councillors can directly contribute to the development of the Strategy. In addition, local Members will be consulted on any proposed Hub models within their Wards.
7	The Committee discussed the lack of alignment between education and the Strategy and recommended that consideration be given to the possibility of utilising some of the school estate as potential Hubs and that this aspect be included in the Strategy.	We acknowledge the Committee's recommendation to strengthen alignment with education. As the Strategy develops, we will explore opportunities to utilise elements of the school estate where appropriate and feasible, ensuring this consideration is reflected in the Strategy. Further discussions with Education colleagues will be incorporated into the engagement and planning process.
