## **1. Purpose of Report**

- 1.1 The purpose of this report is to submit to the Committee two reports from Audit Wales.

## **2. Background**

- 2.1 Audit Wales undertakes a programme of work during the year to help the Auditor General discharge his duties under the Public Audit (Wales) Act 2004. The Auditor General’s functions include auditing accounts and undertaking local performance audit work at a broad range of public bodies, alongside conducting a programme of national value for money examinations and studies. The Auditor

General also assesses the extent to which public bodies are complying with the sustainable development principle when setting and taking steps to meet their well-being objectives.

- 2.2 Part 2 of the 2004 Act sets out the powers and duties of the Auditor General to undertake studies in relation to local government bodies in Wales. The most widely used of these provisions is section 41, which requires the Auditor General to undertake studies designed to enable him to make recommendations for, among other things, improving the value for money in the provision of services.
- 2.3 In accordance with Section 89 of the Local Government and Elections (Wales) Act 2021 the Authority is required to keep under review the extent to which it is exercising its functions effectively, using its resources economically, efficiently and effectively and ensuring its governance is effective for securing these performance requirements.

### **3. Current situation / proposal**

- 3.1 Audit Wales has produced two reports for the Governance and Audit Committee to consider:-
  - **Bridgend County Borough Council – Annual Audit Summary 2025 - (Appendix A)** - This is Audit Wales’ audit summary for Bridgend County Borough Council. It shows the work completed since the last Annual Audit Summary, which was presented to the Committee in April 2025. The audit summary forms part of the Auditor General for Wales’ duties.
  - **Bridgend County Borough Council –Audit Plan 2026 - (Appendix B)** - The Audit Plan specifies the Auditor General’s statutory responsibilities as the Council’s external auditor and to fulfil his obligations under the Code of Audit Practice. It also sets out details of the audit team and key dates for delivering the audit team’s activities and planned outputs.

### **4. Equality implications (including Socio-economic Duty and Welsh Language)**

- 4.1 The protected characteristics identified within the Equality Act, Socio-economic Duty and the impact on the use of the Welsh Language have been considered in the preparation of this report. As a public body in Wales the Council must consider the impact of strategic decisions, such as the development or the review of policies, strategies, services and functions. This is an information report, therefore it is not necessary to carry out an Equality Impact Assessment in the production of this report. It is considered that there will be no significant or unacceptable equality impacts as a result of this report.

### **5. Well-being of Future Generations implications and connection to Corporate Well-being Objectives**

- 5.1 The well-being goals identified in the Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable

impacts upon the achievement of well-being goals/objectives as a result of this report.

## **6. Climate Change and Nature Implications**

6.1 There are no climate change implications arising from this report.

## **7. Safeguarding and Corporate Parent Implications**
