The Contract value shall be estimated in accordance with Schedule 3 of the Act, shall be inclusive of VAT and shall include the value of any extensions and other options provided for in the Contract.  - Take all reasonable steps to meet its socially responsible procurement objectives when it carries out public procurement in relation to any prescribed contract.
 - Make payments due under a contract promptly and, unless this is not reasonably practicable, no later than 30 days after an invoice (or similar claim) is submitted.

- A summary of the public procurement exercises during the year for the award of prescribed contracts.
- A statement of the extent to which all reasonable steps were taken to meet the Council's socially responsible procurement objectives.
- A statement of what further steps it will take in future public procurement exercises to meet its socially responsible procurement objectives.

The Council is also required to publish a contracts register of prescribed public contracts entered into by the authority.

A copy of the Welsh Government Code of Practice – Ethical Employment in the Supply Chain can be found on the Corporate Procurement Intranet page.
- 2.19. The Council has adopted the principles contained within the Welsh Government Policy on Project Bank Accounts. The use of payment

through a PBA for such Contracts will be required unless there are compelling reasons not to do so. - (a) in respect of any new Contract from the Cabinet where the value of the Contract exceeds £1,000,000; or

 - (b) competition is absent for technical reasons,

 - 3.2.5 New works / services, constituting a repetition of existing works/services and ordered in accordance with the strict conditions contained in the Act, subject to approval in accordance with Rule 3.5

3.2.13 Where the Contract is for Light Touch services that are supplied for the benefit of a particular individual and in respect of which the Council would, in awarding a contract for their supply, be required under an enactment to have regard to the views of the individual, or a person providing care to the individual (their “carer”), in relation to who should supply the services, provided that:

- (a) the individual to whom the services are to be supplied or their carer has expressed a preference as to who should supply the services, or the nature of the services to be supplied is such that only one supplier is capable of providing them, and
- (b) the Council considers that it is not in the best interests of the individual to award the contract following a competitive tendering procedure.

3.2.14 Where the Contract is between entities within the public sector as prescribed in Schedule 2 of the Act, including those Contracts where Schedule 2 would be applicable if the Contract Value was not below Threshold.

Modifications to existing Contracts and Framework Agreements

3.3. Contracts and Framework Agreements may be modified without the requirement for a new procurement procedure in accordance with Rules 3.3.1 to Rules 3.3.7:

3.3.1. Where the modifications to a Contract or Framework Agreement have been provided for in the contract as awarded and the tender or transparency notice for the award of that contract provided that such modifications would not change the overall nature of the Contract or the Framework Agreement;

3.3.2. Where the modifications to a Contract or Framework Agreement provides for the supply of goods, services or works in addition to the goods, services or works already provided for in the Contract, and where a change of Contractor:

- (a) would result in the supply of goods, services or works that are different from, or incompatible with, those already provided for in the Contract, and
- (b) it is considered that the difference or incompatibility would result in disproportionate technical difficulties in operation or maintenance or other significant inconvenience, and,
- (c) the substantial duplication of costs for the Council;

provided that any increase in price does not exceed 50% of the value of the original Contract;

For the purpose of the calculation of the price the updated figure shall be the reference figure when the Contract includes an indexation clause.

3.3.3. Where all of the following conditions are fulfilled:

- (a) the circumstances giving rise to the modification could not reasonably have been foreseen before the award of the Contract;
- (b) the modification does not alter the overall nature of the Contract;
- (c) the modification would not increase the estimated value of the Contract by more than 50 per cent.

For the purpose of the calculation of the price the updated figure shall be the reference figure when the Contract includes an indexation clause.

3.3.4. Where the Council agrees to a novation or assignment of the Contract to a new supplier that is not an excluded supplier following a corporate restructuring or similar circumstance.

3.3.5. Where the modification is not a substantial modification. A modification shall be considered substantial where one or more of the following conditions is met:

- (a) the modification increases or decreases the term of the contract by more than 10% of the maximum term provided for on award, or
- (b) the modification materially changes the scope of the contract; or
- (c) the modification materially changes the economic balance of the Contract or the Framework Agreement in favour of the Contractor;

A reference to a modification changing the scope of a Contract is a reference to a modification providing for the supply of goods, services or works of a kind not already provided for in the contract.

3.3.6. Where the modification is a 'below-threshold modification'. A modification is considered to be 'below-threshold modification' if:

- (a) the modification would not itself increase or decrease the estimated value of the Contract by more than 10% for service and supply Contracts and 15% for works Contracts, and
- (b) the aggregated value of below-threshold modifications would be less than the Threshold amount for the type of Contract, and
- (c) the modification would not materially change the scope of the Contract.

For the purposes of CPR 3.3.6 (b), where several successive modifications are made, the 'aggregated value of below-threshold modifications' is the amount of the estimated value of the contract after modification that is attributable to below-threshold modifications.

A reference to a modification changing the scope of a Contract is a reference to a modification providing for the supply of goods, services or works of a kind not already provided for in the contract.

3.3.7. Where the Council considers that a known risk has materialised that was not caused by any act or omission of the Council or the Contractor and:

- (a) because of that fact, the Contract cannot be performed to the satisfaction of the Council, and
- (b) the modification goes no further than necessary to remedy that fact, and

- (c) awarding a further contract (instead of modifying the contract) would not be in the public interest in the circumstances, and
- (d) the modification would not increase the estimated value of the Contract by more than 50 per cent, ignoring, for the purpose of estimating the value of the Contract, the fact that the risk has materialised.

For the purposes of CPR 3.3.7, a “known risk” means a risk that the Council considers:

- (i) could jeopardise the satisfactory performance of the Contract, but
- (ii) because of its nature, could not be addressed in the Contract as awarded, and
- (iii) was identified in the tender or transparency notice for award of the Contract, by reference to the matters set out in subparagraphs 3.3.7(a) to (d) above.

In considering whether awarding a new contract would be in the public interest, the Council:

- (1) must consider whether a new contract could provide more value for money, and
- (2) may consider technical and operational matters.

3.4. Where several successive modifications are made:

- 3.4.1. the limitations imposed by the proviso at the end of Rule 3.3.2 and by Rule 3.3.3(c) shall apply to the value of each modification; and
- 3.4.2. such successive modifications shall not be aimed at circumventing the Act.

3.5. Before modifying an above Threshold Contract or when a modification will take the Contract Value above the Threshold, the Council must publish a Contract Change Notice in accordance with Section 75 of the Act, except where:

- 3.5.1. The modification increases or decreases the estimated value of the contract in the case of goods/services by less than 10% or in the case of works by less than 15%, or
- 3.5.2. The modification increases or decreases the term of the contract by less than 10%.

Such notice shall contain the information set out in Regulation 40 of the Regulations.

3.6. Light Touch Contracts may be modified without reference to the conditions set out in 3.1 to 3.5, subject to the necessary approvals set out in CPR 3.7.

3.6A These Contract Procedure Rules reflect the requirements of the Act and Regulations and will be applicable for all relevant procurements commenced after the Act came into effect on 24th February 2025. Contracts procured before 24th February 2025 remain regulated by the Public Contracts Regulations 2015. Subject to the prior approval of the Monitoring Officer an existing contract procured under the Public Contracts Regulations 2015 may be modified in accordance with the regulatory safe harbours available under regulation 72 of the Public Contracts Regulations 2015.

3.7. Approval to any modification of an existing Contract or Framework Agreement must be obtained, either:

3.7.1. from the Cabinet where the value of the modification of a Contract or Framework Agreement exceeds £1,000,000; or

3.7.2. in accordance with the Council's Scheme of Delegation of Functions where the value of the modification of a Contract or Framework Agreement does not exceed £1,000,000,

save that for modifications made in accordance with 3.3.1 and 3.3.4 approval may be obtained in accordance with the Council's Scheme of Delegation of Functions irrespective of the value of the modification.

Notification of Waiver and Modification

3.8. If the Appropriate Chief Officer is seeking approval from the Cabinet of a waiver from the Council's Contract Procedure Rules under Rule 3.2 or a modification to an existing Contract or Framework Agreement under Rule 3.3, the report to the Cabinet shall set out the reason for requiring the waiver or modification and the Contract Procedure Rule(s) from which the waiver or modification is required. The report shall include a legal and financial statement and shall highlight any future commitments (whether or not of a financial character) which the proposed Contract might entail.

3.9. Where the value of any waiver or modification does not exceed £100,000, the reasons for requiring the waiver or modification must be approved by the Corporate Procurement Manager, and recorded in accordance with the Scheme of Delegation of Functions.

3.10. Where a waiver is sought by the Appropriate Chief Officer in respect of obtaining quotations or tendering, the report to the Cabinet or record of the decision under the Council's Scheme of Delegation of Functions shall in addition to the requirements of Rules 3.8 and 3.9 justify the use of an alternative method of selection so that propriety, value for money and compliance with Legal Requirements can be demonstrated.

Purchasing Arrangements approved by the Corporate Procurement Manager

- 3.11. Purchasing arrangements made for the Council by the Corporate Procurement Manager do not constitute exceptions as such, because they are made under the full provisions of these Rules.
- 3.12. Correct use of these arrangements, as advised by the Corporate Procurement Manager will be sufficient to ensure officers meet their responsibilities for compliance. Such arrangements are mandatory and include, but are not limited to:
 - 3.12.1. Purchasing Frameworks or Dynamic Markets endorsed for use by the Council, where items are specified and costed and the option of a Direct Award has been provided for .i.e., no requirement to undertake a further mini competition.
 - 3.12.2. Collaborative procurement arrangements undertaken by, or in consultation with the Corporate Procurement Manager.
 - 3.12.3. Electronic systems and catalogues endorsed for use by the Council in procurement.
- 3.13. The Appropriate Chief Officer must ascertain whether there is a Framework Agreement or Dynamic Market approved by the Corporate Procurement Manager for use by the Council. Where a Framework Agreement or Dynamic Market is available, it must be used in accordance with the guidance provided by the Corporate Procurement Manager.
- 3.14. Any joint procurement arrangements with other local authorities and or public sector bodies including membership or use of any consortia must be approved by the Corporate Procurement Manager.
- 3.15. Different legislation applies to Framework Agreements and Dynamic Markets set up by English contracting authorities (e.g Crown Commercial Services, ESPO, YPO). For example, Dynamic Markets set up by English contracting authorities cannot be used for below-threshold procurements.
- 3.16. Established Framework, Dynamic Market and consortia arrangements endorsed by the Corporate Procurement Manager for use by the Council shall be mandatory except where there is an applicable waiver or exemption, a copy of which shall be sent to the Corporate Procurement Manager.
- 3.17. Contracts to be awarded on the basis of a Framework Agreement or Dynamic Market must be in conformity with the Act. Where it is necessary to run a further mini competition, any subsequent mini-competition must be in accordance with the terms of the original Framework Agreement (except for the requirement to advertise and those stages in the procurement that are not applicable to a framework).

4. DELEGATED AUTHORITY TO ENTER INTO CONTRACTS

- 4.1. Each Chief Officer has been allocated the following functions under Scheme B2 of the Council's Scheme of Delegation of Functions (Functions delegated
