

Performance against the Corporate Plan 2025-26

On 1 March 2023 Council agreed the Corporate Plan 2023-28. In April 2025 Council agreed the Corporate Plan Delivery Plan 2025-26 which set out aims, commitments, and performance indicators to help measure the Council's progress on its priorities. The new delivery plan is more focused than in the previous two years following a robust review, aligning with the current corporate priorities and resources. The key changes made were:

- Wellbeing Objectives (WBOs) were reduced from seven to four with some merged / subsumed into others. The four that remain focus on –
 - A prosperous place with thriving communities
 - Creating modern, seamless public services
 - Enabling people to meet their potential
 - Supporting our most vulnerable
- Aims reduced from 41 to 21.
- Performance Indicators (PIs) (that measure the 'business as usual') reduced from 108 to 65.
- The Ways of Working measures, previously a standalone part of the Corporate Plan, have now been integrated into the WBOs.
- Commitments (that measure our initiatives or projects) reduced from 80 to 61.

Summary of progress on Corporate Commitments

Each of the commitments has been awarded an appropriate Blue, Red, Amber, Yellow or Green (BRAYG) status at the end of quarter 4. Table 1 below shows a summary of the overall status of the 61 commitments with Chart 1 demonstrating this for each of the well-being objectives.
