| R1  | Councils should review their capital planning arrangements taking account of the issues we have identified in our report, to identify and implement opportunities for improvement. We have developed a checklist ( <b>Appendix 4</b> ) that councils may find helpful to support this. | The long term planning for the capital programme will be enhanced by the Transformation Strategy 2040 which is currently being produced and will clarify the key aims and ambitions for the Council. The Strategy will be completed during the current financial year and will inform the decisions for the new financial year. Additions to the programme will have to | March 2027                          | Corporate Director – Finance and Transformation |                  |
