This application to review relates to the following licensing objective(s)

Please tick one or more boxes ✓

1) The Prevention of Crime and Disorder**X****2) Public Safety****X****3) The Prevention of Public Nuisance****X****4) The Protection of Children from Harm****X**

Please state grounds for review (please see guidance note 1)

Please provide as much information as possible to support the application (please see guidance note 2)

It is the Premises Licence which is being reviewed and not the current licensee or individuals or companies who have previously held the licence.

Numerous historic and recent serious offences have been committed at the Golden Lion by various persons concerned with its management and the premise has a chequered and unacceptable history of failing to promote the licensing objectives.

In **March 2011** information was received that alcohol was being sold to children and a joint South Wales Police and Trading Standards test purchase operation took place which resulted in the sale of alcohol to 14 and 15 year old volunteers.

In **September 2011** South Wales Police became aware that the supply of Class A drugs was taking place at the premise.

A search warrant was executed and in excess of £30,000 of heroin was seized and six staff members were arrested including the then licence holder and Designated Premises Supervisor (DPS).

Divisional Licensing Officers immediately utilised the expedited review procedure and the licence was suspended.

Prior to this other offences under the Licensing Act had also been committed.

PERSONS WHO ARE CURRENTLY RESPONSIBLE FOR THE PREMISE

On **23rd December 2013** Mustafa Dost made application to transfer the Premises Licence into his name however; although he had been involved with the venue prior to the transfer there is no evidence to suggest he was connected to it in **2011**.

He is also the DPS and has held this position since **20th February 2014**.

He is a Personal Licence holder; reference BCBCL1360, issued by Bridgend County Borough Council on **11th February 2014**.

James Quantick, an associate of Mustafa Dost, also has a business interest in the Golden Lion and is the Premises Licence holder of the *Buccaneer Bar Complex*, a venue in Porthcawl where he also has interests in three other unlicensed takeaways.

Offences under the Licensing Act have been committed at all four premises.

South Wales Police has interrogated the incidents recorded at the Golden Lion since Mustafa Dost became involved with the premise.

A number of enforcement visits have taken place highlighting breaches of the licence which are contrary to Section 136 and are the most serious under the Licensing Act.

In **October 2013** officers from the United Kingdom Borders Agency (UKBA) executed a warrant and arrested an Indian migrant as he was illegally in the UK.

In **November 2013** Divisional Licensing Officers attended at the venue and served on Mustafa Dost a Closure Notice for failing to adhere to the conditions of the Premises Licence.

In **March 2014** UKBA executed another warrant and arrested a Turkish migrant working at the premise as he too was illegally in the UK.

In **April 2014** a Fire Officer conducted a safety visit and evidenced serious contraventions of fire safety regulations.

Thereafter Mustafa Dost continued to commit offences contrary to Section 136 and in **January 2015** was placed on an Action Plan which failed to deter him as he persistently committed like offences thereafter.

In fact his offending is not restricted to the Golden Lion as he has also committed like offences at *Pizza Bella* another takeaway both he and James Quantick are associated with which is located in Porthcawl.

Both individuals have in fact received verbal and written warnings in respect of *Pizza Bella* and indeed other premises.

THE PREMISE

The Golden Lion is a large terraced building which is situated on the main road through Aberkenfig.

It previously operated solely as a public house with an old style main bar on the ground floor to the left of the entrance and a separate lounge to the right with flats on the first floor.

Licence 5 of **31st January 2014** resulted from a change of name with the premise being known as *Mudo's* which is an amalgamation of the name Mustafa Dost.

It also represented a change of direction of the business as the bar servery in the lounge was stripped out and the room altered and refurbished as a separate facility from the bar.

The "lounge" now resembles something more like a kebab takeaway with tiled walls and seating and a fast

food delivery service is also provided however; the main bar remains largely unaltered.

Another name change followed whereupon the main bar returned to its origins as the Golden Lion whilst the food outlet was called *Aberkenfig Kebab & Pizza House*.

The provision of late night refreshment is the supply of hot food or hot drink between 23.00 and 05.00 hours, a licensable activity.

In the main pizzas, kebabs, burgers, chicken and such like are on offer yet despite the fact that the food provided lends itself more to revellers who eat late at night what is significant is there is no authorisation permitting late night refreshment.

Infact Mustafa Dost's mindset is such that despite advice and warnings he blatantly advertises on menus and flyers that the food outlet is (unlawfully) open: -

Monday to Sunday 4.00pm to 11.30pm.

Delivery time: Monday to Sunday 4.00pm to 11.30pm.

THE LICENCE

It is important that the Sub-Committee familiarise themselves with the licence but briefly the licensable activities authorised by the licence are:

Supply of alcohol

Live Music

Recorded Music

The main activity is the sale by retail of alcohol:-

Monday to Thursday : 10.00 – 00.00 hours

Friday and Saturday : 10.00 – 01.00 hours

Sunday : 11.00 – 00.00 hours

Opening hours of the premises:

As above plus 30 minutes winding down period

There are conditions attached at Annex 1 and 3 and Annex 2 concerns the proposals which are volunteered in applications by applicants which are then adopted as conditions i.e. conditions consistent with the Operating Schedule.

THE LICENSING OBJECTIVES

THE PREVENTION OF CRIME AND DISORDER

South Wales Police work in conjunction with our partners at the UKBA exchanging information and intelligence and often accompanying them on enforcement visits when immigration warrants are executed at licensed premises.

This partnership has evolved since an important part of Home Office licensing guidance relative to reviews

was amended to specifically focus on enforcement around serious criminality involving the unlawful employment of illegal migrants.

The guidance is referred to elsewhere in the review.

Occurrence of 20th October 2013

UKBA conducted an enforcement visit at the premise as they had reliable intelligence to suggest that migrants who were illegally in the UK were also being employed there.

Entry was gained by an immigration warrant under Section 28(B) which was granted by Swansea Magistrates.

An Indian migrant who had illegally entered the UK was found upstairs but denied he was working there.

Mustafa Dost was working at the time of the visit.

The migrant had previously been dealt with by UKBA and was given reporting restrictions but absconded.

Occurrence of 7th March 2014

On 7th March 2014 a Turkish migrant worker was found to be employed at the premise during another enforcement visit by the UKBA.

His visa had expired and as he was illegally in the UK he was duly arrested.

Mustafa Dost was not working at the time and as the employer of the illegal migrant he was advised to attend for questioning but failed to show up prior to UKBA leaving.

Other offences committed, which similarly fail to promote the objectives, are detailed elsewhere in the review.

PUBLIC NUISANCE

The Public Nuisance objective is compromised as since December 2014 in particular there has been several reports of assault, fighting and disturbance both inside the premise and in the street late at night and during the early hours of the morning.

PROTECTION OF CHILDREN FROM HARM

During a reported fight at 00.15 hours on a Saturday morning (i.e. Friday night) the attending officers noted a customer with facial injuries and what was of further concern was that there was a female in the bar who was aged 14 years.

PUBLIC SAFETY

Public Safety is at risk because nothing is known of the antecedent history and background of the employee who entered the UK illegally which potentially further impacts on the licensing objectives.

As indicated there has also been a number of disturbances which has resulted in injury and the arrest of assailants.

BRIDGEND COUNTY BOROUGH COUNCIL'S "STATEMENT OF LICENSING POLICY"

Section 12 refers to **REVIEWS OF LICENCES:**

Paragraph 12.1 ***"Reviews of Premises Licences represent a key protection for the community in respect of problems during the term of a Premises Licence."***

HOME OFFICE GUIDANCE UNDER SECTION 182 OF THE ACT

Section 1 refers to **LICENSING OBJECTIVES AND AIMS:**

Sub-section 1.2 highlights that, ***"The legislation provides a clear focus on the promotion of four statutory objectives which must be addressed when licensing functions are undertaken."***

Sub-section 1.3 details the objectives and 1.4 states that, ***"Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times."***

Section 11 relates to **REVIEWS:** -

Sub-section 11.1 ***"The proceedings set out in the 2003 Act for reviewing Premises Licences represent a key protection for the community where problems associated with the licensing objectives occur after the grant or variation of a Premises Licence."***

"REVIEWS ARISING IN CONNECTION WITH CRIME"

11.27 ***"There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously."***

One of these activities is, ***"Knowingly employing a person who is unlawfully in the UK or who cannot lawfully be employed as a result of a condition on that person's leave to enter."***

11.28 ***It is envisaged that licensing authorities, the police and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence - even in the first instance - should be seriously considered."***

The aforesaid guidelines are extremely specific to this application as they have been ignored.

Offences have been committed under the Licensing Act 2003, the Regulatory Reform (Fire Safety) Order 2005, the Immigration Act 1971 and the Immigration, Asylum & Nationality Act 2006.

The guidelines issued by UKBA are clear and unambiguous and are freely available to all employers on the Home Office website.

Similarly guidance under the Licensing Act requires a clear emphasis on promoting the licensing objectives.

Illegal working is not a victimless crime as it exploits sometimes vulnerable migrants, and potentially defrauds the taxpayer, can deny employees a safe working environment, undercuts honest employees and limits the employment opportunities of legitimate jobseekers.

As an individual has been illegally employed there are clearly working opportunities available however; they have been denied to persons who are lawfully able to work.

Employing illegal workers is likely to result in Her Majesties Revenue & Customs (HMRC) being deceived by avoiding paying tax and National Insurance contributions.

It is also arguable whether transient non-British nationals who speak very little or no English and have little or indeed no knowledge of licensing law promotes the licensing objectives.

Licence holders have attempted to absolve themselves of any blame for employing such individuals by indicating that they have been supplied with fraudulent identification documents.

However; this is misleading and demonstrates a complete lack of due diligence as UKBA offer an employee checking service which is freely available to employers who can and must verify the immigration status of potential migrant employees by conducting document checks against the UKBA database.

There is also a help line manned by immigration officials.

IMMIGRATION ISSUES

The following has been extracted from the Home Office UKBA website and is a:

SUMMARY GUIDE FOR EMPLOYERS ON PREVENTING ILLEGAL WORKING IN THE UK

“Illegal working has harmful social and economic effects on the UK; it undercuts British businesses and their workers that stay within the law and exploits migrant workers. As long as there are opportunities for illegal working the UK will be an attractive place for illegal migrants. That is why we need to put a stop to employers breaking the law by taking tough action against those who do so.

There is evidence that some workers employed illegally are paid less than the minimum wage, do not pay tax, and may be doing dangerous work that breaks health and safety regulations. Employers who use illegal workers may do so because they want to avoid providing minimum standards, such as the National Minimum Wage and paid holidays. This is harmful to the workers involved and enables dishonest employers to gain an unfair advantage over competitors who operate within the law”.

Illegal workers include: -

- students with expired visas
- students working more hours than they are allowed to
- persons who work on a visitor's only visa
- persons who have illegally entered the UK

IMMIGRATION, ASYLUM & NATIONALITY ACT 2006 (KNOWN AS THE 2006 ACT)

The following information is freely available on the Home Office UKBA website and is summary guidance for employees and Human Resources (HR) staff involved in recruiting people and aims at preventing illegal working in the UK: -

It contains important information and advice on:

- *the law on illegal working*
- *your role and duty as an employer*
- *the document checks you should carry out*
- *the various documents you could be given*
- *the various types of immigration statuses held by people; and*
- *the consequences if you do not carry out your duty and UKBA find you employing an illegal worker.*

THE LAW AND YOUR DUTY AS AN EMPLOYER

"The law on preventing illegal working is set out in sections 15 to 25 of the 2006 Act.

These rules came into force on 29th February 2008.

You are breaking the law if you employ a person who does not have the right to work in the UK.

You can be fined up to £20,000 for each illegal worker or face criminal prosecution."

YOUR DUTY UNDER THE 2006 ACT

"Under the 2006 Act you have a duty to prevent illegal working by carrying out document checks to confirm if a person has the right to work in the UK.

You should check and keep copies of original, acceptable documents before someone starts working for you.

If a person has a time limit on their stay then you should carry out repeat checks at least once every 12 months.

If a person has a restriction on the type of work they can do and, or, the amount of hours they can work, then you must not employ them in breach of these restrictions.

You should also verify that a person has the right to work when certain documents or scenarios are presented to you.

You can find out more about carrying out document checks in the section 'Right to work document checks'.

This duty applies to anyone who starts working for you on or after 29 February 2008."

PENALTIES IF YOU FAIL TO CARRY OUT YOUR DUTY

If you do not carry out these checks you may be required to pay a fine, known as a civil penalty, under Section 15 of the 2006 Act if you employ an illegal worker.

An illegal worker is defined as someone who:

- *is subject to immigration control; and*
- *is aged over 16; and*
- *is not allowed to carry out the work in question because either they have not been granted leave to enter or remain in the UK or because their leave to enter or remain in the UK:*

is invalid,

has ceased to have effect (meaning it no longer applies) whether by reason of curtailment, revocation, cancellation, passage of time or otherwise, or

is subject to a condition preventing them from accepting the employment.

A civil penalty up to a maximum amount of £20,000 for each illegal worker can be imposed on you.

We can serve you with a Notice of Liability to pay a penalty for a specific amount on behalf of the Secretary of State."

A Notice of Liability has since been replaced by a Referral Notice.

CRIMINAL OFFENCES COMMITTED

THE IMMIGRATION ACT 1971 (EMPLOYEE)

1) Offence: Enter/remain in the UK without leave contrary to Section 24(1)(a)

Penalty: Six months imprisonment and / or a fine not exceeding level five (£5,000) on the standard scale.

2) Offence: Knowingly remaining beyond the time limited by leave (described by UKBA as being "overstayers" or "overstaying" in the UK) contrary to Section 24(1)(b)(i)

Penalty: Six months imprisonment and / or a fine not exceeding level five (£5,000) on the standard scale.

A person commits the offence on the day when he or she first knows that leave to enter or remain has expired, and continues to commit it until such time as his or her position is regularised, for example through a further grant of leave in any category.

Mustafa Dost is also liable for the offence of aiding and abetting an employee to remain in the UK without leave as he is providing job opportunities for such migrants.

THE IMMIGRATION, ASYLUM & NATIONALITY ACT 2006 (EMPLOYER)

1) Offence: Employ adult subject to control who had not been granted leave to enter / remain in UK contrary to Section 21

Penalty: Indictment - imprisonment for a term not exceeding two years, a fine, or both.

Summary - imprisonment for a term not exceeding 12 months in England and Wales or 6 months in Scotland or Northern Ireland, a fine, or both.

2) Section 18: Enforcement

1) A sum payable to the Secretary of State as a penalty* under Section 15 may be recovered by the Secretary of State as a debt due to him.

** Where a breach of Section 15 has occurred on or after 16th May 2014, the maximum civil penalty amount that can be imposed increased from £10,000 to £20,000 per illegal worker.*

SECTION 10 OF THE IMMIGRATION & ASYLUM ACT 1999

Section 10 contains the provisions under which certain categories of people who are in the UK unlawfully may be subjected to administrative removal procedures.

A person who is not a British citizen may be removed from the UK, in accordance with directions given by an immigration officer,

If:

He/she does not observe a condition of his limited leave to enter/remain or remains beyond the period of his limited leave.

THE LICENSING ACT 2003

1) Offence: Section 136

A) Carry on or attempt to carry on a licensable activity on or from any premise otherwise than under and in accordance with an authorisation i.e. a Premises Licence and the conditions which form part of it

OR

B) Knowingly allow a licensable activity to be so carried on.

The offences are considered so serious that the penalties are: -

- 1) A fine of up to £20,000 and/or a term of imprisonment on summary conviction not exceeding 6 months.
- 2) All alcohol and containers may be forfeited and destroyed.
- 3) The Premises Licence may be reviewed under Section 51.
- 4) Suspension or forfeiture of a Personal Licence.

2) Offence: Failing to produce the Premises Licence for inspection by a constable or authorised person contrary to Section 57.

Penalty: Summary – Level 2 fine not exceeding £500.

During a licensing enforcement visit on **22nd November 2013** Mustafa Dost was required to produce the Premises Licence but was unable to do so.

CCTV images of an incident which took place on **14th November 2013** were also requested whereby a person caused criminal damage to the foyer at the Golden Lion and assaulted a staff member at a Chinese takeaway opposite the premise.

The suspect was aged 17 years and very drunk.

Mustafa Dost was unable to record CCTV images nor produce them to the police on request in contravention of the licence..

He was advised to rectify this immediately and if he failed to do so the premise would be served with a Closure Order next week.

Several recent incidents have taken place whereby it was necessary to obtain CCTV images to assist in the investigation of a number of offences which had occurred at the venue.

On each occasion those images have not been supplied to the police.

CLOSURE NOTICE UNDER SECTION 19 OF THE CRIMINAL JUSTICE & POLICE ACT 2001

(1) Where a constable is satisfied that any premises are being, or within the last 24 hours have been, used for the unauthorised sale of alcohol for consumption on, or in the vicinity of, the premises, he may serve under subsection (3) a notice in respect of the premises.

3) A notice under subsection (1) shall be served by the constable concerned on a person having control of, or responsibility for, the activities carried on at the premises.

On **29th November 2013** Divisional Licensing Officers served a Closure Notice on Mustafa Dost for operating in contravention of the conditions of the licence i.e. there was no DPS in place authorising alcohol sales.

THE REGULATORY REFORM (FIRE SAFETY) ORDER 2005

Following an audit of the fire safety arrangements on **9th April 2014** by the area Watch Manager of the Fire & Rescue Authority it was noted that Mustafa Dost failed to abide by a number of requirements of the order.

1) Offence: Fail to comply with the requirements imposed by The Fire Safety Order.

Penalty: Indictment - a fine, or imprisonment for a term not exceeding two years, or both.

Summary - a fine not exceeding the statutory maximum.

One will note that the penalties for employing illegal migrants, committing the most serious of licensing offences and non-compliance with fire safety regulations are extremely severe but this has not deterred Mustafa Dost.

Offences committed under the Immigration Acts directly relate to the Licensing Act as guidelines concerning reviews in connection with crime detail that certain immigration offences should be treated very gravely and give rise for review.

REVIEWS - GENERAL

A considerable number of premises within the borough have been subject of varied enforcement and licence holders have been given advice, received verbal and written warnings, and had meetings with South Wales Police which are designed to make management aware of police concerns to encourage them to address the problems being experienced or placed on action plans in order to promote the objectives.

There have also been prosecutions resulting in offenders receiving substantial fines as well as having their

Personal Licences suspended.

Ultimately the review procedure has also been utilised and restricted conditions have been appended to licences including a reduction of opening hours.

A number of authorisations have also been suspended and revoked.

South Wales Police however, feel that the mindset of the management is such that review is the most appropriate form of enforcement.

There are approximately 530 premises within the borough which are licensed and additionally hundreds of Temporary Event Notices i.e. short term licences known as TEN's have been authorised for events.

The Licensing Sub-Committee should also note that reviews have had an extremely positive effect on licence holders who have not had their authorisation revoked as they have caused them to manage their venues more responsibly, conscientiously and professionally thereby promoting the objectives which in turn has led to a very substantial reduction in reported incidents at those premises, particularly violent crime.

ENGAGEMENT WITH THE LICENCE HOLDER AND ENFORCEMENT ACTION

Home Office guidance under Section 182 of the Act relates to Section 11 "**Reviews**".

Paragraph 11.11 indicates that, "**It is important to recognise that the promotion of the licensing objectives relies heavily on a partnership between licence holders, authorised persons, responsible authorities and any other persons in pursuit of common aims. Where authorised persons and responsible authorities have concerns about problems identified at premises, it is good practice for them to give licence holder's early warning of their concerns and the need for improvement, and where possible they should advise the licence holder of the steps they need to take to address those concerns. A failure by the holder to respond to such warnings is expected to lead to a decision to apply for a review. Co-operation at a local level in promoting the licensing objectives should be encouraged and reviews should not be used to undermine this co-operation.**"

Responsible authorities have attempted to rectify given situations at premises failing to promote the licensing objectives by convening meetings and engaging in various forms of enforcement highlighted within the review.

DOCUMENTATION SERVED BY SOUTH WALES POLICE ON MUSTAFA DOST

Warning letters were served on **29th September 2014, 13th and 22nd January 2015** which have been very clear and highlight that the licence may be reviewed.

An Action Plan was given on **12th January 2015** yet he had to be served with a final warning letter on **13th February 2015**.

It is quite clear that Mustafa Dost has paid no attention to these warnings or the Action Plan.

DOCUMENTATION SERVED BY SOUTH WALES POLICE ON PREVIOUS LICENCE HOLDERS

A warning letter was served on the original licence holder on **18th October 2010**.

In **2013** warnings were given to successive licensees on **21st March, 3rd May, 21st October and 20th November** however; the latter warning also concerned Mustafa Dost.

PIZZA BELLA, 80 MACKWORTH ROAD, PORTHCAWL CF36 5BT

Pizza Bella is referred to as it is felt that disclosure of information relating to this takeaway is necessary for the promotion of the licensing objectives.

Mustafa Dost has a strong connection with *Pizza Bella* which was formerly known as *Kebabs Are Us*.

Similarly James Quantick also has an interest in *Pizza Bella* which is situated near the fair at Coney Beach, Porthcawl and pizzas, kebabs, burgers, chicken etc. are sold either over the counter or via a fast food delivery service.

There is no Premises Licence in place permitting any licensable activity however; as with the Golden Lion flyers and menus unashamedly advertise that the takeaway is (unlawfully) trading during the following times: -

Sunday to Thursday 5pm to 11.30pm.

Friday and Saturday 5pm to midnight.

Delivery time 5pm to midnight.

During enforcement visits to *Pizza Bella* serious and like offences have been detected of providing hot food without authorisation and Mustafa Dost has been given suitable advice.

In fact he was served with warning letters on **30th May 2011, 11th June 2012 and 23rd July 2014.**

A warning letter was also served on James Quantick on **30th September 2014** as he had not only committed like offences at *Pizza Bella* but also at his other two takeaways highlighted below.

Just like the Action Plan, warnings given and the advice provided to Mustafa Dost at the Golden Lion all have fallen on deaf ears.

BUCCANEER BAR COMPLEX, MACKWORTH ROAD, PORTHCAWL CF36 5BY

Offending at this venue is disclosed as it is also believed that the information is essential for the promotion of the licensing objectives.

James Quantick has been given both verbal and written warnings for committing offences under the Licensing Act, the latter being served on **30th August 2013.**

However; due to incidents of disorder at the premise it was also subject of an Action Plan on **16th September 2013.**

Additionally an Environmental Health Officer had cause to issue him with a warning letter on **28th April 2014** as loud music from the venue amounted to a statutory nuisance.

James Quantick has therefore displayed a similar mindset to that of his business partner.

CHIPS 2 GO AND WIMPY BURGER BAR, MACKWORTH ROAD, PORTHCAWL

Both takeaways are referred to as it is also felt that disclosure of information is necessary for the promotion of the licensing objectives.

James Quantick also has an interest in both premises and the warning served on him on **30th September 2014** also related to providing hot food without a licence despite being given suitable advice not to operate after 11.00pm.

REVIEW RECOMMENDATIONS

As previously highlighted reviews represent a key protection for the community in respect of problems during the term of an authorisation.

Any decision made by the Sub-Committee must be taken following consideration of the representations received with a view to promoting the objectives.

In the case of a review the Sub-Committee may make a number of determinations which are highlighted within the guidance and the Officers Report.

The disclosures concern offences committed under the aforesaid acts which directly relate to the Licensing Act as the guidelines in relation to reviews in connection with crime detail that the immigration offences in particular should be treated very gravely and give rise for review.

CONCLUSION

Guidelines dictate that licensing authorities, the police and other law enforcement agencies will use the review procedures effectively to deter criminal activities one of which is the employment of a person who is unlawfully in the UK or who cannot lawfully be employed as a result of a condition on that person's leave to enter.

The guidance goes further and highlights that revocation of the licence, even in the first instance, should be seriously considered by Licensing Sub-Committees if it is determined that the premise is being used to further crimes which impacts on the crime prevention objective.

This is such a case as the takeaway is being used to commit offences under the Immigration Act and the Immigration, Asylum & Nationality Act.

Additionally the most serious of offences have also been regularly committed under the Licensing Act and there has been a gross failure to adhere to fire safety regulations.

Mustafa Dost has not only seriously failed to promote the objectives at the Golden Lion but has also committed grave licensing offences at *Pizza Bella*.

Similarly his business associate at the Golden Lion, James Quantick, has committed like offences at the *Buccaneer Bar Complex, Pizza Bella, Chips 2 Go and Wimpy*.

Indeed previous licence holders have also been responsible for the gross mismanagement of the Golden Lion.

South Wales Police respectfully suggest that the situation will not change and feel that the only option open which would address the systematic failures outlined in these submissions is to: -

REVOKE THE LICENCE.

Two bottles of WKD alcohol were sold to volunteers aged 14 and 15 years.

*Offence: Sale of alcohol anywhere to a person under the age of 18 years contrary to - Section 146 of the Licensing Act 2003.**Penalty: Level 5 fine. Maximum £5,000.*

The seller was dealt with by way of £80.00 penalty notice.

The Designated Premises Supervisor (DPS) and Premises Licence Holder (PLH) was convicted at Bridgend Magistrates Court for authorising the sale and received a fine.

14th SEPTEMBER 2011 - SUMMARY/EXPEDITED ("QUICK") REVIEW OF THE PREMISES LICENCEOn **14th September 2011** a substantial amount of Class A drugs to the value of approximately just over £30,000 were recovered from the premise during the execution of a search warrant.

Other offences had been committed at the premise and the drug seizure was in fact a "trigger" offence prompting South Wales Police to make application for an Expedited Review of the licence under Section 53(A) of the Licensing Act 2003.

A hearing took place on **15th September 2011** whereupon the Licensing Sub-Committee suspended the licence pending a full review hearing on **12th October 2011**.However; a pre-hearing agreement was subsequently reached with the barrister representing *GRS Pub Investments*, the licensee at the time, and 4 persons were banned from the premise, including the then DPS and joint licence holder, the other joint licensee, as well as the remaining staff members.

In short the police sought to remove those persons who it was suspected were linked to the drug seizure.

The following was also adopted as a condition of the authorisation: -

- 1) **CCTV will be a condition of the Premises Licence as per the "Special Conditions relating to the maintenance and installation of CCTV" document.**

It must be noted that the current licence holder was not involved with the premise in 2011.

Please tick / yes

- I have sent copies of this form and enclosures to the responsible authorities and the premises license holder
- I understand that if I do not comply with the above requirements my application will be rejected

Sir,

OFFENCES UNDER THE LICENSING ACT 2003

South Wales Police attended at the premise at 23.50hrs on Friday 20th May 2011 after you requested police attendance in respect of a trial refusing to leave and causing problems after there was a dispute concerning the purchase of a kebab.

Premises which supply hot food or drink to paying customers between the hours of 23.00hrs and 05.00hrs for consumption on or off the premise require a Premises Licence under the Licensing Act 2003.

As you have been trading unlawfully you should submit an application for the grant of a Premises Licence under Section 17 indicating that you intend carrying out a licensable activity in the form of late night refreshment.

Until application for a Premises Licence has been received and approved you are unable to trade between 23.00hrs and 05.00hrs for the supply of hot food or drink

I have now requested that local officers monitor the premise in order to ensure that you are complying with the Act and have forwarded a copy of this correspondence to Inspector James who is the Senior Officer responsible for policing the area.

Under Section 136 of the Licensing Act 2003 it is an offence to: -

- A) Carry on or attempt to carry on a licensable activity on or from any premise otherwise than under and in accordance with an authorisation i.e. a Premises Licence and the conditions which form part of it

Or

- B) Knowingly allow a licensable activity to be so carried on,

The penalties in respect of the above are as follows: -

- 1) A fine of up to £20,000 and/or a term of imprisonment on summary conviction not exceeding 6 months.

If any further offences are committed in relation to the premises, under the provisions of the Licensing Act; this may result²
in you being prosecuted.

Under Section 185 of the Licensing Act 2003 concerning the investigation of a complaint in respect of licensed premises a
copy of this correspondence will also be disclosed to the Licensing Authority.

Yours faithfully,

You must also submit an application for the grant of a Premises Licences under Section 17 of the Act and you should contact the Licensing Authority to discuss both applications.
