- 2.1 The constitution of the Instrument of Government for the Governing Body of Mynydd Cynffig Primary School supports the raising of educational standards and the well-being of children and young people and their local communities.

3. Background.

- 3.1 Cabinet agreed to close Mynydd Cynffig Infants School and for it to become part of Mynydd Cynffig Primary School with effect from September 2015. Mynydd Cynffig Infants School will cease to exist from the end of August 2015 and Mynydd Cynffig Primary School will provide education for 3-11 year olds.
- 3.2 In accordance with the Government of Maintained Schools (Wales) Regulations 2005, where a governing body decides that the instrument of government should be varied, the governing body must notify the local authority of its proposed variation together with reasons for proposing the variation. If the local authority agrees with the proposed variation it must vary the instrument accordingly.

4. Current situation / proposal.

- 4.1 The governing body of Mynydd Cynffig Junior School have revised their old Instrument of Government in preparation for becoming a Primary school in September 2015 when they will be providing education for 3-11 year olds. The governing body unanimously agreed at their meeting on 16 June 2015 to increase their constitution from 13 governors to 18 governors. Governors feel that as the school will be responsible for an additional education phase and due to the increase in the number of pupils attending the school, increasing the membership to bring new governors on will bring additional qualities and skills to enable the school to run more effectively.
