None.

508. APPROVAL OF MINUTES

RESOLVED: That the minutes of the meeting of Council of 17 June 2015 be approved as a true and accurate record subject to the amendment of missing Members on the attendance list

509. TO RECEIVE ANNOUNCEMENTS FROM:

MAYORAL ANNOUNCEMENTS:

The Mayor informed Council that Bridgend County Borough Council recently participated in the national one minute silence held in memory of those who lost their lives during the Tunisian terrorist attack. He added that he was sure that Members would agree that now more than ever, we need to show solidarity and support.

He informed Council that he had written to the Tunisian Embassy in London and had received a short but apt response from Ambassador Nabil Ammar that he shared with Members. It read "You have said everything that is to be said in your kind letter of sympathy and support. While expressing to you my deepest condolences for those of your fellow citizens horribly killed and injured, please receive my warmest thanks and best regards."

The Mayor informed Council that he had recently had a site visit to Parc Prison which involved a royal visit from His Royal Highness Prince Charles who was there to view the prison gardens and the Prince's Trust project that was seeking to rehabilitate offenders by getting them involved with football. He added that TV royalty was also present in the form of popular presenters Ant and Dec; he further added it was a great opportunity to highlight what important work was taking place to help people stay out of trouble and succeed in life.

The Mayor informed Council that on the 10<sup>th</sup> July he saw an emotional service held at Heronsbridge School as part of the 2015 National Holocaust Memorial commemorations. He explained that the event was aimed at schools and saw representative pupils from every secondary school in the area meet holocaust survivor Eva Clarke, who spoke about her experiences. He stated that as the theme for this year's HMD is 'keeping the memory alive', a plaque and a tree was planted in the grounds at Heronsbridge and each school received a 'remembrance stone' which they were able to write on and place at the foot of the tree. He added that this year was especially relevant as it marked the 70<sup>th</sup> anniversary of the liberation of the notorious camp, Auschwitz-Birkenau, as well as the 20<sup>th</sup> anniversary of the Bosnian genocide. He asked that Members joined him in congratulating everyone who played a part in organising the extremely sensitive and moving event.

The Mayor was pleased to confirm that the charities he would be supporting during his mayoral year would be the Bridgend branch of Mental Health Matters Wales, the Guy Chappell Cardio-Respiratory Investigation Unit at the Princess of Wales Hospital, the Bridge Mentoring Plus Scheme and Ysgol Bryn Castell. He added that they were all very worthy causes and was looking forward to raising money on their behalf that will benefit local people in Bridgend County Borough.

Finally, he stated that although it was still July, at the end of the month he had to give the Grand Pavilion in Porthcawl a broad idea of how many tickets the Authority would need to set aside for a mayoral charity pantomime performance in December of "Beauty and the Beast". He informed Members that tickets are £6.50 each and £2 out of every ticket sold for the charity performance will go towards the appeal fund, he added that all Members and their partners/ families would be very welcome to attend and asked if Members could let Mari Major of the Charity Committee know if they would like to attend the performance.

MEMBERS OF THE CABINET:

Deputy Leader

The Deputy Leader informed Council that a number of head teachers were retiring or have moved on, and he publically thanked them for making a major difference to the education of hundreds of children in Bridgend County Borough.

- Mrs Andrea Wood was retiring as head of Bryncethin Primary School. Mrs Wood led the amalgamation of the separate infants and junior school, the incorporation of Sarn Nursery and the opening an Early Years Unit. He added she should be very proud of her legacy as children thrive in the successful school and it continued to be extremely popular.
- Mrs Anne Carhart at Maesteg Comprehensive School took over in 2000 and led the school through the difficulty of relocating from split sites to its current purpose-built location. He stated the transformation in quality of resources had been matched by a step in change in teaching and learning with improved outcomes for pupils at the school. He added there had been such a turnaround in Maesteg that it is one of only a handful of hubs in the central south consortium; and schools from across the region travel there to learn best practice. Maesteg is looking forward to another set of record breaking KS4 results this summer, so Mrs Carhart should be proud of her legacy too.
- Mrs Amanda Stanford was also retiring as head of Mynydd Cynffig Infants ahead of its forthcoming merger with the junior school. Estyn recently praised the school for its excellent learning experiences and invited Amanda to produce a written case study so that other schools across Wales can learn from their example. He added that 'Excellent' judgements from Estyn are rare praise as they identify national best practice.
- Mrs Deborah Hiley also left earlier this year after spending 25 years teaching at Cwmfelin, 11 of those years as the head teacher.
- Catherine Archard of Plasnewydd Primary School who is leaving after spending 13 years at the school, 4 of those as head teacher.

The Deputy Leader congratulated Llangewydd Junior School for achieving the National Quality Award for Healthy Schools. He added it was the first time that a junior school in South Wales had won the prestigious award and marked the culmination of six years hard work by teachers, staff, governors and pupils at the school. He added that for the school to achieve the award, the school had to demonstrate how it delivered excellent standards of pupil health and wellbeing by linking issues such as sport, healthy eating, community links, safety, hygiene and more. The award followed the news the school had also recently been presented with a platinum status Green Flag. This is excellent work and a sure sign of the schools commitment towards encouraging pupils to maximise their potential and play active roles within the community.

Cabinet Member Communities

The Cabinet Member Communities informed Members that there had recently been an unpleasant incident which occurred at a school farm project set up by Abercerdin Primary School. He stated that the police and RSPCA were investigating after one or more individuals entered the farm area which is located close to the school and attacked the children's pet Muscovy Ducks. The culprits left the remains of the animals to be

found at the entrance to the farm. He added that pupils, teachers, governors and staff at the school had been left greatly distressed by the incident and appealed for anyone with information to come forward. The school had been developing the farm project as an educational facility for the children over the last 12 months, and were determined that they will officially open as planned in time for the start of September term, once additional security measures had been introduced. He asked that Members urge the community to come together to share any information they have that may lead to the apprehension of those responsible.

The Cabinet Member Communities stated that between July and October the Council would be consulting over proposals for improving the County Borough's network of walking and cycling routes. The Active Travel Wales Act 2013 places a legal duty on all local authorities in Wales to produce a 15 year vision for an active travel network. He added that BCBC are currently mapping out the existing local routes and related facilities, such as cycle parking and crossing points with a vision for it to be completed by the end of 2015. Work would then begin on identifying the new active travel routes and facilities that would need to be developed in the future so that local residents would be able to rely less on their cars when making short journeys.

He added that the provisions of the Act only applied to certain areas designated by the Welsh Government where it was believed that there is a potential for active travel, and where there are over 2,000 residents. Within BCBC there are nine such areas – Betws, Bridgend, Gilfach Goch, Maesteg, Ogmores Vale, Pencoed, Pontycymmer, Porthcawl and Pyle. He added that BCBC want to encourage as many people as possible to take part in the consultation by visiting the consultation page on the BCBC website.

#### Cabinet Member, Adult Social Care and Health and Wellbeing

The Cabinet Member for Adult Social Care and Health and Wellbeing asked Members to make their constituents aware that the Authority was finalising plans that would enable children and young people to have access to free holiday play-schemes and activities at a range of locations across the County Borough throughout the summer. He stated that this was being delivered through partnership working with the Town and Community Councils, Communities First, Sport Wales and HALO Leisure, all of which linked in with the Welsh Government's desire for local authorities to locate a range of play opportunities and make them widely available.

He added his thanks to the Disabled Children's Team and Barnardos, and also informed Members there would be specific support for children with disabilities and their families through the Discovery Days Programme. He stated that the programmes would be promoted through social media, the press, BCBC website and community networks.

The Cabinet Member, Adult Social Care and Health and Wellbeing informed Council that BCBC had teamed up with the RNIB Cymru for an impressive new initiative which helps people with visual impairments to get the most out of modern technology. The Digital Inclusion Service works with the Blind and partially sighted residents to make them aware of how modern smart phones, tablets and other devices feature built-in options designed to make them accessible to all. He added that RNIB officers have been working with the Council's sensory service which is based at the Trem Y Mor Integrated Centre in Bettws and they are visiting people at home to provide practical demonstrations and ways in which they can retain independence and avoid becoming socially excluded. He added that this was an excellent and worthwhile initiative and would help blind or partially sighted residents ensure that they did not miss out on all the things that other people benefit from such as online shopping, social media and more.

The Cabinet Member for Adult Social Care and Health and Wellbeing concluded that on behalf of the Cabinet Member- Regeneration and Economic Development that the name of the new not for profit cultural trust would be Awen Cultural Trust Ltd. He stated the name Awen had been chosen by staff as an ancient Welsh word for artistic inspiration and is extremely appropriate. He added that a fantastic response was received for a call for trustees to join the Cultural Trust and an independent Board had been appointed. He advised the trust will officially come into being this Autumn when they would take over the running of Porthcawl's Grand Pavilion, Maesteg Town Hall, Bryngarw House and Country Park, Blaengarw Workmen's Hall, the Library Service, some community centres and two work-based projects for adults with disabilities.

#### Cabinet Member Children's Social Services and Equalities

The Cabinet Member for Children's Social Services and Equalities informed Council that BCBC recently became one of just two councils in Wales to feature on a new interactive map which revealed local authorities that can offer support to young adult carers. The online maps are produced by the Carers Trust and help people discover what services and information are available in their area while also highlighting which Councils are actively working towards supporting young adult carers. She explained that research by the Carers Trust had revealed that even though a caring role can have a negative impact on education, health and life chances, many young adult carers were unaware that help was available to them. BCBC's inclusion on the map was a significant achievement and was highly useful in reaching out to young adult carers.

The Cabinet Member for Children's Social Services and Equalities informed Council that the Active Young People department recently held a showcase event to celebrate the talent and commitment that exists within the local schools and communities. She stated that local people have achieved great things at a local, regional, national and international level, and that the confidence, capabilities and abilities of the young people to influence the future were key themes of the event. She added that the event featured Paralympic gold medallist and commonwealth games captain Aled Sion Davies MBE, Karis Thomas who starred in TVs the Voice and the Pencoed tumbling and gymnastics club as well as Funk Force Dance. She added there were special awards for Paralympian wheelchair rugby coach Paul Jenkins and his contribution to the Invictus Games as well as the lifetime achievements of Olympian and Marathon man, Steve Brace. She stated the event also had a special focus on how the local leadership pathway was engaged and inspiring looked after children and young people with disabilities and demonstrated that the Borough has much to be proud of.

The Cabinet Member for Children's Social Services and Equalities informed Members that Colin Turner, Head of Safeguarding and Family Support would be leaving the Authority at the end of the month to pursue new opportunities, and that the current meeting of Council would be his final meeting. She stated that Colin had been with the Authority for over 6 years and had done sterling work leading and developing the department in providing services in support of children in need, their families and communities, safeguarding children in need of protection and securing the best possible outcomes for looked after children. She added that a serious concern protocol imposed by the Care and Social Services Inspectorate Wales was lifted soon after he joined the Authority. She further added that he had played a major role in developing continuous improvements in the service, delivering year on year in terms of positive outcomes and performance. The Head of Safeguarding and Family Support added that he felt his time with the Authority had been a hugely positive one and assured the Chief Executive that he is leaving in the knowledge that the service is in safe hands. The Cabinet Member for Children's Social Services thanked Colin for his contributions and wished him the very best for his future endeavours.

Cabinet Member Resources

The Cabinet Member Resources reminded Members that they should submit their completed annual reports using their BCBC email address by the first week of August. He added that the reports would then be checked for formatting prior to publication on the BCBC website.

The Cabinet Member Resources stated that due to the meeting of Extraordinary Council on 7 July 2015 the first child sexual exploitation awareness session had to be cancelled. He added that the second session was scheduled for 16 July 2015 at 2pm and would go ahead as planned. He stated that the session would provide members with information on child sexual exploitation and would cover issues such as risk indicators and the grooming process. He added that it would also explain the process for dealing with concerns regarding a child or young person at risk of sexual exploitation, including the local context and how this links to the All Wales Child Protection Procedure, he added if necessary, further sessions would be arranged for a future date.

The Cabinet Member Resources reminded Members about the email they had received from Member Services about the Canon printers. He informed Members that their new ID cards would now work but asked them to assign their cards before they used them, he asked if they had any problems, to see Kevin or Sian in Member services who would be happy to assist them.

CHIEF EXECUTIVE:

The Chief Executive updated members on the transformation agenda. He stated that a major part of the work was to relocate staff to refurbished office accommodation at the Civic Offices and dispose of surplus council buildings. He added the aim is to use space in such a way that it enables the Authority to work in a more efficient manner while securing significant and ongoing financial savings that would not fundamentally impact on the Authority's frontline services. He advised Members that as part of the ongoing initiative and the refurbishment work in the Civic Offices nearing its completion, the Authority is making plans for the Ravens Court building to be available on the open market so it can be let as prime town centre office space. He added that this would require the majority of staff that are based at Ravens Court to relocate to the Civic Offices and Sunnyside House once an occupier for Ravens Court is found.

The Chief Executive stated that Ravens Court has been under-occupied for some time so letting the building would mark a significant step forward in the Authority's plans for saving money and increasing efficiency by reducing how much office space the Authority uses. He explained that as part of the process, a project team will be established which will feature service area representatives who will work with and support directors, heads of service and managers to ensure that all relevant issues can be addressed. He advised Members that he would keep them updated with information as the situation develops.

The Chief Executive announced that Members may like to advise their constituents that the Council has invited more local residents to come and share their views and help improve the Authority's service by signing up for the Citizens Panel. The panel currently has around 1,700 members; he stated that it is a simple mechanism that greatly helps to inform the Authority's decisions. He added that Panel Members are asked to anonymously complete three to four short surveys per year on a range of subjects from customer service to how informative the Authority's website is. To be eligible to join the Citizens Panel, people must live in Bridgend County Borough and be aged over 16. He added that becoming a member of the panel is a great way of the public to make their

voice heard on local issues and council services, he urged members to encourage more of their constituents to sign up.

The Chief Executive stated that Members had already been made aware of the Head of Safeguarding leaving the Authority. He announced to Council that the Authority had successfully secured Catherine Parry as an interim Head of Safeguarding who will be joining the Authority on 20 July 2015 which will allow for a short overlap and handover with the current Head of Safeguarding. He added that Catherine has a strong background in children's services and operations and was confident she would work well with the Authority. He informed Members that the assessment centre for the permanent head of service appointment was set for 16 July and interviews would take place on 17 July.

510. TO RECEIVE THE REPORT OF THE LEADER

The Leader announced he was proud to have seen how the people of Bridgend County Borough turned out in great numbers for the recent Armed Forces Day parade. He added the town centre streets were packed with people of all ages who sent a clear sign of their support and respect, he stated that this year's celebration was particularly appropriate as 2015 has also marked the 70<sup>th</sup> anniversary of V.E Day, he extended his sincere gratitude, respect, admiration and appreciation to all past and present members of the armed forces and their families.

The Leader informed Members that nominations had closed for the current years' Bridgend Business Forum Awards which would be held at the Coed Y Mwstwr Hotel on 18 September 2015. He added that this year a record number of nominations had been received across a range of categories that include the all-new tourism business of the year. He added that the annual awards which were fully sponsored by private sector organisations are a great way of showcasing the strength of businesses within the area. They are organised by the Bridgend Business Forum with support from the Authority; he asked that if Members knew of any businesses in their wards that were not involved in the awards to urge them to look into joining. He further added that membership was free and the forum would provide excellent networking opportunities, workshops, business advice and more which is all designed to help strengthen the overall economic heart of the County Borough.

The Leader informed Members that Bridgend town centre had become the only town in Wales to secure a place in a popular UK wide competition intended to inspire a new generation of young entrepreneurs. He stated the Council and Bridgend College has teamed up to host the Welsh heat of Test Town 2015 which was an enterprise challenge which would offer innovative young people the chance to test out their business ideas for real. Aimed at 16 to 30 year olds, the competition would be held over four days in November and would coincide with Global Entrepreneurship Week 2015. He added that the Bridgend competition entailed setting up a pop up youth enterprise market in the town centre so the young entrepreneurs would have an opportunity to sell and showcase their products and services which will be supported by a variety of workshops and support from established retailers and businesses. He further added that securing the event is a coup for the area and a great way for young people to nurture their business talents. He stated that the winner of the Welsh heat would go through to the UK Test Town Grand Final in 2016 with a chance of winning £10,000 towards their new business venture.

511. SOCIAL SERVICES ANNUAL REPORT 2014/15

The Corporate Director – Social Services and Wellbeing submitted the Social Services Annual Report for approval and requested that Members noted the judgements reached locally about Social Care Services in Bridgend. She also provided Council with a comprehensive presentation on the Annual Report for 2014/15.

She explained the Annual Council Reporting Framework procedures which were:

- The Care and Social Services Inspectorate, Wales (CSSIW) had arrangements in place for the inspection, evaluation and review of local authority social services
- The Framework provided the foundations of the Authorities duty to report on the whole circle of care from commissioning, contracting, and assessment care management to service provision and states that:
  - The authorities themselves would report annually on progress and outcomes and their plan for improvement.
  - The Inspectorate would undertake a review and analysis of evidence underpinning the annual report including evidence from other inspectors and regulators
  - The analysis would result in an individual inspection and review plan for each authority
- This was the sixth Annual Report of the Director of Social Services

The Corporate Director – Social Services and Wellbeing explained the Annual Council Reporting process which was:

- Each Group Manager/service lead undertakes a review of their service area – with reference to the key areas of priority from the previous year
- A comprehensive report is written for each service area
- All statements made are supported by evidence
- Individual reports and evidence is submitted to CSSIW by 31 May each year
- Individual reports are used to compile two Heads of Service reports
- The final report, taking into account scrutiny comments, is presented to Council and submitted to CSSIW

The Corporate Director – Social Services and Wellbeing informed Council of the key facts in Social Care in Bridgend. She stated that:

- Social Services in Bridgend aims to provide a range of support and services that are responsive and proportionate to need whilst also ensuring that children and adults are safeguarded and protected from harm.
- The Authorities vision is to actively promote independence, wellbeing and choice that will support individuals in achieving their full potential.
- The Social Services and Wellbeing Directorate are responsible for the planning, commissioning, assessment and, where appropriate, the direct provision of

## COUNCIL - WEDNESDAY, 15 JULY 2015

- Physical and learning disability services
  - Mental Health services
  - Services for older people
  - Services for people with dementia
  - Support to children in need
  - Services for looked after children and children on the child protection register
  - Support to care leavers
- There are 1236 staff (some part time) in the directorate (975 in ASC, 183 in safeguarding, 25 in Sport, Play and Active wellbeing and 53 in business support)
  - The directorate's budget is £62m (£59m for social services)
  - 4718 people were supported (in the community) of these 32% were between 18 and 64 and 68% were over 65.
  - 2299 people received a telecare package
  - Over 2100 referrals were received for Primary Mental Health Services
  - 7058 referrals and re-referrals were received by ASC
  - 4,619 contacts were received, 999 of which were assessed as referrals where a form of safeguarding intervention was required
  - 1333 initial assessments and 594 core assessments were completed throughout the year
  - There were 125 children's names on the Child Protection Register at 31 March 2015
  - There were 390 children looked after as at 31 March 2015
  - 24 children were adopted during the year and 18 new adopters were approved
  - At 31 March 2015, the local authority and its partners provided support to 95 care leavers aged between 16 and 21 years

The Corporate Director – Social Services and Wellbeing explained that the key drivers behind in the report were:

- The Social Services and Wellbeing (Wales) Act 2014
- MTFS
- Western Bay
- Corporate Priorities
- Regulation and Inspection

The Corporate Director Social Services and Wellbeing highlighted to Council their achievements over the last year which were:

- Social Services had steadily increased the number of Telecare installations in the homes of people in need from April 2014, helping them to manage the risks that may be present;

- provided 960 people with an alternative to a hospital admission through our intermediate care Community Resource Team
- We supported 41 people with a learning disability to access day time activities in the community as an alternative to day services
- 16 people with a learning disability moved from residential care into their own tenancies in supported living accommodation
- 98.5% of all contacts made were reviewed within 24 hours
- 99.6% of reviews of children on the Child Protection Register were carried out within statutory timescales compared to 99.0% the previous year

She advised Council that the key actions going forward are:

- To continue to develop the progression model in Learning Disabilities
- Finalise the Prevention and Wellbeing Strategy and develop a delivery plan
- Continue the development of a commissioning plan for the independent sector homecare market and the implementation of that plan (leading to a re-commissioning exercise)
- Continue to safely reduce the LAC numbers
- Establish a Multi-Agency Safeguarding Hub
- Ensure robust mechanisms are in place to identify and provide children at risk from Child Sexual Exploitation

Members thanked the Corporate Director - Social Services and Wellbeing for the comprehensive report and commended the whole team on the excellent figures. Members were impressed at the delivery of the service whilst the new Social Services and Wellbeing Act was creating additional duties for the team with no extra resources. They stated that the transformation ahead, was a change for the better.

A Member asked if BCBC was confident that the external homecare providers were able to provide an adequate service. The Corporate Director – Social Services and Wellbeing stated that they were confident the homecare providers are able to provide an adequate service as BCBC has a quality assurance process which other local authorities are also looking into implementing, she explained that the process is in keeping with the Social Services and Wellbeing Act

The Deputy Leader thanked the team for the report and for earlier submitting the Annual Report to Cabinet for information. He explained that there were plenty of compliments in the report from the public, senior professionals and the District Judge which he felt spoke volumes for the staff and leadership team.

The Chief Executive stated that the report highlights the scale and pace of change that the Authority is working with. He added that the change in legislation and changes in demand within the community and financial climate were creating additional pressures on the Authorities resources. He further added that the support received by the Directorate was a key part of their successes and future support is vital.

512. CAPITAL PROGRAMME 2015-16 TO 2024-25

The Head of Finance and ICT reported an update on the Capital Programme and sought approval for a revised capital programme for 2015-16 to 2024-25.

## COUNCIL - WEDNESDAY, 15 JULY 2015

He reminded Council that in February 2015 it had approved a capital programme for 2014-15 to 2024-25 of £153,014m, and he highlighted changes to the programme to reflect funding changes to some schemes, slippage from 2014-15, additional external funding approvals and changes to expenditure profiles.

He reported that a number of schemes for which funding had been identified, required approval for inclusion in the capital programme on the Shopmobility; Joint Vehicle Maintenance; West Park Primary School and Studio 34 schemes. He informed Cabinet that a revised capital programme allowing for the proposed changes along with anticipated slippage from 2014-15, additional external funding approvals and changes to expenditure profiles.

The Head of Finance and ICT reported that if there was insufficient funding from clawback the £250k for the provision of a temporary classroom at West Park Primary School is funded from the School Modernisation Retention.

Members asked for Cabinet to reconsider the process of clawback of surplus school balances as they felt that schools were suffering as a result of the clawback being on an annual basis. The Deputy Leader agreed that Cabinet would discuss the issue.

RESOLVED: That Council approved the Capital Programme and if there was insufficient funding from clawback the £250k for the provision of a temporary classroom at West Park Primary School be funded from the School Modernisation Retention budget.

### 513. URGENT ITEMS

The Head of Safeguarding thanked BCBC for their dedication and generosity of staff that he had worked closely with. He thanked all officers for their continued dedication to their work. He added that his team are appropriately challenged and he respected the difference of opinion amongst Members and Officers. He further added that he had many positive memories of working for BCBC and added his thanks to the Leader and Deputy Leader.

The meeting closed at 4.55 pm
