I live in a bungalow on the south side of Merlin Close that is located in the close vicinity of the PAA clubhouse.

PAA wish to supply alcohol every day of the week mostly up to 10pm or 11.pm, and to provide recorded or live music during the same pattern of hours. I am concerned that this could create public disturbance or nuisance, especially noise late at night. Perhaps the open hours can be shortened.

I hope that enforcement visits will confirm that PAA have taken the necessary action to meet the licensing objectives and that my concern will be unfounded.
