Adoption and Children Act 2002 (Joint Adoption Arrangements) (Wales) Directions 2015

Purpose

The primary purpose of these Directions is to ensure that effective joint arrangements are in place between local authorities in Wales for the delivery of adoption services.

Summary

The Welsh Ministers are exercising the direction – making powers conferred by section 3A Adoption and Children Act 2002 to require local authorities in Wales to enter into specified arrangements with each other in relation to the provision of specified services under section 3(1) Adoption and Children Act 2002. The aim of the arrangements is to ensure consistent delivery of high quality adoption services across Wales. The arrangements are at a national level, regional level and local level.

At national level, the arrangements will be effected through a Governance Board, an Advisory Group and a Director of Operations.

At a regional level, the arrangements will be effected by five regional collaboratives. Each collaborative is a partnership of local authorities working together to ensure that a good quality adoption service is provided in their region. The composition of the regional collaboratives is determined by paragraph 7(2) and is set out at Schedule 1.

Local authorities will continue to carry out some of their adoption functions individually at local level.

Collectively, these joint arrangements for the provision of adoption services are referred to as “the National Adoption Service”.

Partnership agreements will set out the extent to which adoption functions are to be exercised by local authorities individually and the extent to which they are to be exercised through local authorities working in partnership through a regional collaborative.

Action

Local authorities should ensure that they are in a position to comply with the requirements of the Directions when they come into force on 13 March 2015.
