Policy (2.1) "Applications for the first licensing of a hackney carriage or private hire vehicle should be submitted to the Council within 14 days of the first registration of the vehicle at the DVLA. The mileage at the time of application should be no greater than 500 miles. The applicant may be the second or a subsequent

registered keeper but the applicant must demonstrate that there is no more than 14 days between the first registration and transfer to the applicant's name. Applications will normally be dealt with under the Scheme of Delegation to Officers.

Policy (2.2.5) A relaxation of the policy will also be considered in exceptional circumstances for applications relating to the first licensing of private hire vehicles. The Council does not seek to limit or define a particular vehicle which is suitable but will adhere to the minimum standards for the size of seats and legroom etc which are available on request. Irrespective of the age of the vehicle it must be capable of satisfying the general licensing conditions and be fit for purpose as a private hire vehicle in terms of passenger safety and comfort. Each application will be reported to the Licensing Sub-Committee for determination on its merits having regard to the following criteria:

- *That the vehicle presented is in an exceptional condition in relation to its exterior and interior appearance with no evidence of defects, chips, marks or other evidence of unreasonable wear and tear or damage.*
- *That the vehicle presented offers an exceptional standard of safety and comfort for passengers in terms of features offered for example ABS, passenger airbags and ability to meet current requirements on emissions testing.*
- *That the application includes evidence that the vehicle has been serviced at the intervals recommended by the manufacturer and at an approved garage. Other relevant documentations such as an MOT certificate should also be provided.*

Policy (2.4) All applicants should be satisfied that they can meet all current policy requirements before submitting an application and are advised that they submit an application which falls outside the above policy guidelines at their own risk. Acceptance of an application does not infer that it will be granted. Applicants are strongly advised not to purchase a vehicle or make any other financial commitment until the application is determined.”
